

Depot on Main – Ch. 380 Agreement Amendment & Public Access and Trail Easement

CITY COUNCIL

7/21/2025

Depot on Main

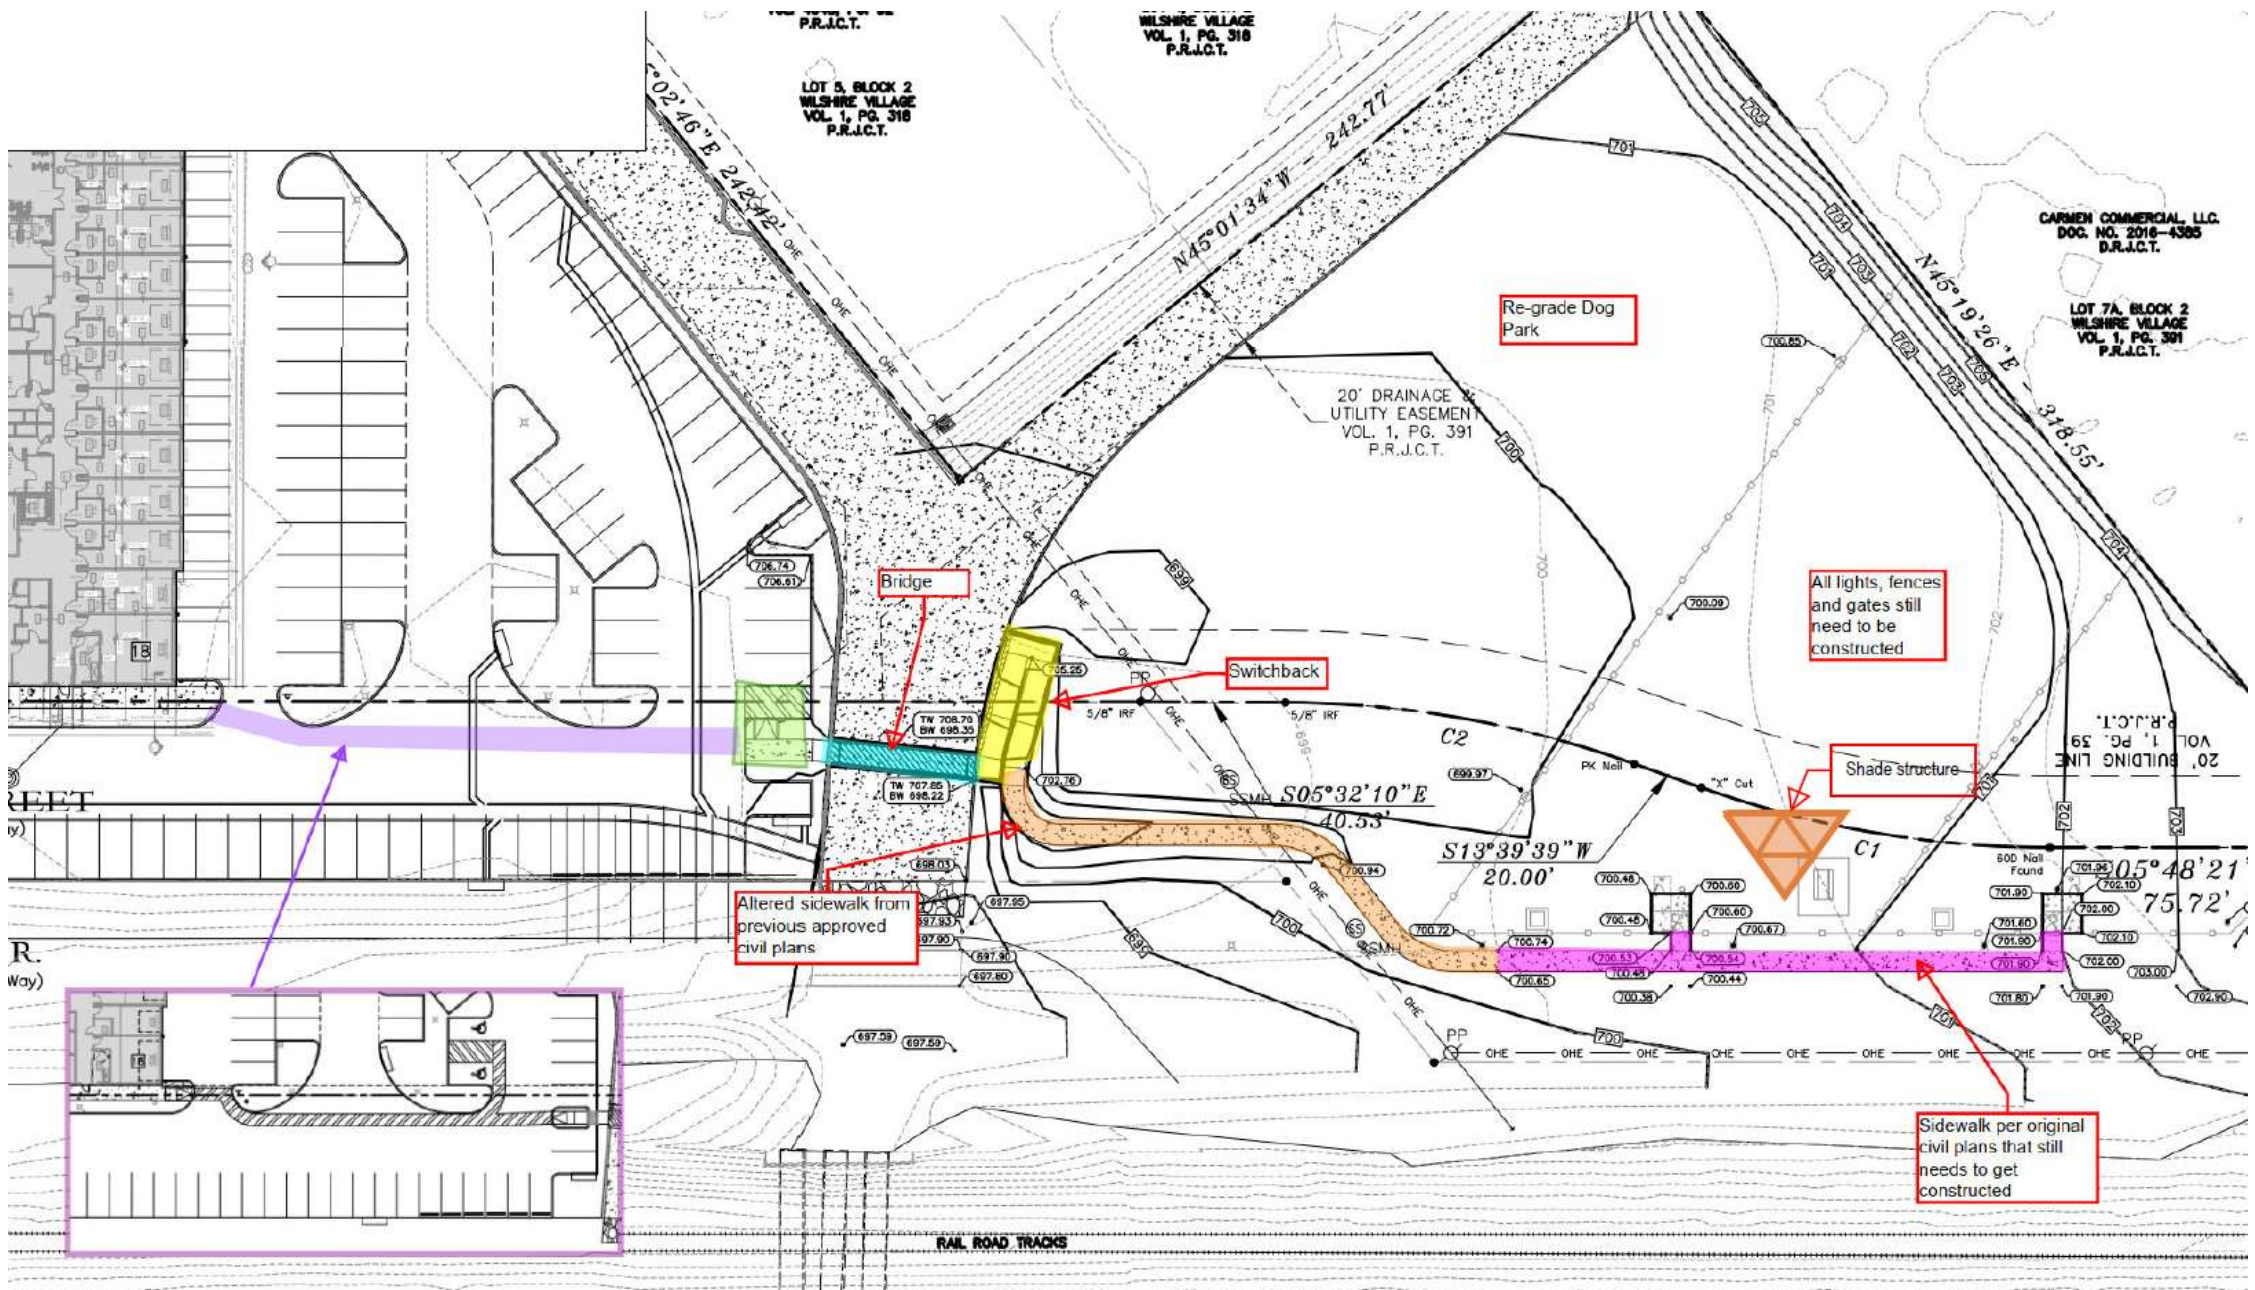

- 275-unit, Class-A Multifamily Development
- Located on N. Main St. & King St. in Old Town
- Former site of the City of Burleson Service Center
- Appraised value: \$21 million+
- Current 380 agreement with Depot on Main
 - 75% TIF #2 rebate annually
 - Maximum rebate: \$2 million
 - Rebate to reimburse public infrastructure (sidewalks, parking, streetscape, etc.)

Drainage and Dog Park

- On June 7, 2021, City Council approved a PD zoning amendment reducing dwelling units/acre from 75 to 56.22, prohibiting corrugated metal
- The amendment was requested due to site restrictions caused by the results of a flood study
- The Site Plan was also amended to include a public dog park in the detention area. And a trail on UPRR right-of-way for the public to access the park

Amendment

- Depot on Main has requested to amend their site plan to add pedestrian bridge and shade structure, revise fencing, gates, lighting and sidewalks to create public access
- Amend 380 exhibits to include new site plan and updated costs of approved public improvements
- Make performance measure payments totaling \$700,000, remainder for \$2M reimbursement payments continue through annual grant TIF2 rebate
- Site plan amendment to be approved administratively based on amendment exhibits

Expedited reimbursement payments:

FY25:

- \$250,000 – Submit complete site plan amendment application by Sept. 1, 2025
- \$125,000 – Obtain building permit and commence construction by Sept. 30, 2025

FY26

- \$100,000 – Flatwork inspected and accepted by Dec. 31, 2025
- \$150,000 – Pedestrian bridge inspected and accepted by Sept. 30, 2026

FY27

- \$75,000 – Final acceptance of all dog park improvements by Sept. 30, 2027

Public Access and Trail Easement

- The improvements related to public access to the Depot on Main's dog park include sidewalk, flatwork, retaining walls and the pedestrian bridge over a drainage channel
- To ensure the function of the drainage channel, Depot on Main will be responsible to maintain both sides of the retaining wall of the drainage channel, the pedestrian bridge, and flatwork at its own cost
 - If Depot fails to do so, the City has the right, but not the obligation, to perform maintenance, repair, reconstruction, or replacement, and Depot must reimburse the City for these costs
 - The City is responsible for the function of channel; maintaining the concrete bottom, flume and keeping it clear of obstructions

Requested Action
