Marketing & Outreach

This year's "Did you know?" marketing campaign is highlighting library programs and services that the community might not be aware of.

This campaign was created after library staff reviewed feedback from the 2022 community survey.

MetroShare Libraries

The library, along with 10 partners in the MetroShare Libraries consortium will receive an FY 2024 Library Cooperative Grant from the Texas State Library and Archives Commission.

The $75,000 award will be used for courier costs, a shared Library of Things collection, collaborative library programs and staff training.
