**DEPARTMENT:** Parks and Recreation  
**FROM:** Allison Smith, Deputy Director of Recreation  
**MEETING:** February 13, 2025

---

**SUBJECT:**

Consider recommending approval of a project with Amusement Restoration Companies LLC for the complete replacement of the Indoor Pool slide stair tower at the total price of \$218,672.50. (*Staff Contact: Allison Smith, Deputy Director of Recreation*)

**SUMMARY:**

On June 11, 2024, an annual inspection of the indoor pool slide and stair tower was conducted. The findings of this inspection highlighted the need for further evaluation of the stairs, safety railing, supports, hardware, fasteners, and all steel components. Based on the results of the report, the slide was immediately closed for safety reasons.

Following a subsequent inspection, it was determined that while several repairs could be made to the tower, there is no guarantee that these repairs would provide a long-term solution. After careful consideration, staff decided that the most effective course of action would be to fully address and resolve the issue through a complete replacement to ensure the safety and functionality of the structure.

**RECOMMENDATION:**

Park Board recommending approval of the project with Amusement Restoration Companies LLC.
