

NCTCOG General Assembly Meeting Voting Representative

JUNE 11, 2026

Background

- The North Central Texas Council of Government (NCTCOG) 2026 general assembly meeting will be held on June 12, 2026, at the Hurst Conference Center at noon.
- The City has been notified by NCTCOG that voting for members will be slightly different than in past years.
- The City is a member of the NCTCOG and entitled to vote at the NCTCOG's general assembly meetings.
- According to NCTCOG, each local government member is entitled to one voting representative at general assembly meetings.
- The City does not have a representative established to vote on behalf of the City at NCTCOG general assembly meetings.

Current Situation

- The agenda item before the City Council for consideration is a resolution requesting the appointment or designation of an individual to serve as the City's voting representative at the NCTCOG general assembly meeting.
- To serve, the City's designated representative 1) must be physically present at the general assembly and 2) must be an elected or appointed official serving on the City Council. (City staff members are not eligible to serve as a voting representative.)
- The proposed resolution before the City Council seeks to designate an individual to serve as the City's voting representative at all NCTCOG general assembly meetings or other meetings of the members in the calendar years of 2026 and 2027, not just the one meeting called on June 12, 2026.
- The proposed resolution designates an individual to serve as the voting representative until January 1, 2028. The resolution also specifies that the City Council may rescind the designation at any time.

Requested Action

- If the City Council desires, select an individual to be named in the resolution to serve the City's voting representative at all NCTCOG general assembly meetings in the calendar years of 2026 and 2027.
 - When selecting a voting designee, remember:
 - 1) The representative must be physically present at the general assembly meetings.
 - 2) The representative must be a member from the City Council.
 - 3) City staff members are not eligible to serve.
- If the City Council desires, after designating an individual, take action on the resolution naming the individual to serve the City's voting representative at all NCTCOG general assembly meetings in the calendar years of 2026 and 2027.
