

## COOPERATIVE PURCHASE CUSTOMER AGREEMENT

This **Cooperative Purchase Customer Agreement ("Customer Agreement")** is entered into by and between GODDARD ENTERPRISES ("**Vendor**") and the **City of Burleson, ("Customer" or "Authorized Customer")**, a Texas government entity, and a Customer authorized to purchase goods or services pursuant to the Agreement between the CITY OF DENTON Cooperative Purchasing ("**Cooperative Entity**") and Vendor, **Contract No.** RFP 7728, as amended, (the "**Agreement**") with an expiration date of 08/17/2026.

This Customer Agreement includes and shall be governed by the following items which are attached hereto and/or incorporated herein by reference.

- i. The terms and conditions of the Agreement, which are incorporated herein by reference and available online or upon request from Vendor;
- ii. The City of Burleson Standard Terms and Conditions, which are incorporated herein by reference and available at **this link** or upon request from the Customer.
- iii. The attached Vendor Quote/Purchase Order, if applicable;
- iv. The Standard Addendum with the City of Burleson, if applicable

Authorized Customer is eligible and desires to purchase

### ATTACHMENT A

---

pursuant to the terms and conditions of the Agreement as the Cooperative Entity may specify from time to time, as well as the terms and conditions of this Customer Agreement. To ensure goods and services are provided directly to the Customer, the Cooperative Entity will only be responsible for services provided to the Cooperative Entity will not be responsible for payments for services provided to the Customer.

The Authorized Customer agrees to the terms and conditions of the Agreement as applicable and as authorized by law. The Authorized Customer hereby agrees that it is separately and solely liable for all obligations and payments for equipment, products and services provided hereunder. Vendor agrees that Customer shall be entitled to the same rights and protections under the law afforded to the Cooperative Entity under the Agreement, as applicable, as if Customer had entered into the Agreement. Except in the event of gross negligence or intentional misconduct, Customer's liability shall not exceed the amount paid by Customer under this Customer Agreement for the proceeding twelve (12) month period. Vendor agrees that until the expiration of three (3) years after final payment under this Customer Agreement, or the final conclusion of any audit commenced during the said three years, Customer, or Customer's designated representative, shall have access to and the right to audit at reasonable times, all records, hard copy or electronic, involving transactions relating to this Customer Agreement necessary to determine compliance herewith, at no additional cost to the Customer. Vendor agrees that the Customer shall have access to such records during normal business hours. Customer shall provide Vendor with reasonable advance notice of any intended audits.

**Purchase Price** - Payments under this Customer Agreement are in the amount of **Three Hundred Forty-Five Thousand, Eight Hundred Eighty-Two Dollars and Thirty-Five Cents**("Purchase Price").

**Term** - The Term of this Customer Agreement ("**Term**") shall be for one of the following as selected below (Select the type of contract that applies):

**Single Purchase Contract** -The Term shall not exceed one (1) year, unless acknowledged in writing by both parties, and this Customer Agreement shall be for the purchase of goods or services as specified and quoted by the Vendor, and the Purchase Price shall not exceed the budgeted amount for Customer's current fiscal year for the applicable goods and services.

**Supply / As Needed Contract**- The Term shall be effective as of October 1<sup>st</sup> and shall expire on September 30<sup>th</sup> at the end of FY. This Customer Agreement shall be for multiple purchases of goods or services on an as needed basis, from the same vendor under the same contract, and shall not exceed the budgeted amount for Customer's current fiscal year for the applicable goods and services.

**Multi-Year Contract**-The Term shall be for one (1) year(s) expiring on 9/30/2026.

This Customer Agreement may be renewed for two one-year renewals. Customer Agreement shall be with a single vendor for products and services. If the amount of expenditures under this Multi-Year Contract equals or exceeds \$50,000 in the aggregate, City Council approval is required. In the event the City does not appropriate sufficient funds to make payments during the current or any subsequent year, the City shall have the right to terminate this Multi-Year Contract at the end of any such fiscal year without penalty. If the price of any individual project under this contract exceeds \$50,000 a performance bond is required. If the individual project price exceeds \$100,000 both performance and payment bonds are required.

**Emergency Purchase** - Purchases that are necessary to address a public calamity, because of unforeseen damage to property, or to protect the public health or safety where the City's ability to serve the public would be impaired if the purchase were not made immediately. Emergency purchases must meet the requirements of Local Government Code 252.022, and must be ratified by City Council if the purchase is \$50,000 or more.

(Standard Addendum - Select if Vendor has additional terms and conditions that apply to this purchase)

**Standard Addendum with the City of Burleson, Texas** - If this purchase contains additional terms and conditions from the Vendor, other than those set forth in the Agreement, the Vendor shall agree to the Standard Addendum with the City of Burleson, Texas. Such applicable terms and conditions as set forth in the Standard Addendum shall supersede any conflicting terms of the Vendor's terms and conditions, and such Standard Addendum shall control. The Standard Addendum is incorporated herein by reference and **available online** or by request and made a part of this Customer Agreement for all purposes.

The undersigned represents and warrants that he/she has the power and authority to execute this Customer Agreement, bind the respective party, and that the execution and performance of this Customer Agreement has been duly authorized by the respective party. This Customer Agreement, and any amendment hereto, may be executed in counterparts, and electronically signed, scanned, digitally signed and sent via electronic mail and such signatures shall have the same effect as original manual signatures.

Each party has caused this Customer Agreement to be executed by its duly authorized representative on this the \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_.

2001-130

### 2001-130 High Powered Outdoor Siren

The Federal Signal 2001-130 siren is a high power, rotating, unidirectional outdoor warning siren. The high-decibel output provides maximum coverage with minimum installation cost. The siren's projector produces a 60-degree projection of sound which rotates at 3 RPM and can produce three distinct warning signals: steady, wail and fast wail.

### Annual Maintenance for Fiscal Year 2025-2026

#### Preventative Maintenance

Warning systems are public safety infrastructure, and the reliability of these systems is of utmost importance. This is why Joe Goddard Enterprises recommends proactive preventative maintenance, inspection and service of your outdoor sirens and controllers.

The quoted service includes:

- A full inspection of all siren components and includes minor repairs if necessary.
- Work will be performed by trained technicians.
- Staff time, travel, lodging, pole & base station assessments
- Recommendations will be made for future maintenance.
- The inspection provides documentation that your system is up to factory specification.

#### Mandatory Tasks

- Inspection of all electrical and mechanical connections. Minor repairs or recommended corrective action plan included.
- Check of radio modulation FSK/DTMF levels.
- Check of radio frequency alignment using radio service monitor.
- Perform speaker driver inspection and verify power output of amplifiers.
- Verify operation of all control board or circuits.
- Verify proper voltages are present.
- Check charger(s) for proper voltage.
- Battery inspection for age, voltage, and possible replacement (cost of battery replacement not included)
- Check/verify wiring and fuses for all circuits.
- Verify antenna connector integrity and mounting.
- Clean debris from cabinets.
- Verify AC/Solar, battery, battery cables, radio/Cell/Sat operation.
- Verify intrusion switch is operating and repair as required.
- Inspect Siren installation for vertical orientation; will recommend corrective action if required.
- Follow all Goddard Enterprises procedures for preventative maintenance.
- Provide inspection report on all sirens.
