This Vendor/Member Agreement (the “Agreement”) is hereby entered into by and between BOUND TREE MEDICAL, LLC. (the “Vendor”), and the City of Burleson, a Texas home-rule municipality (the “City”), for the purchase of medical supplies and related incidental services.

WHEREAS, the Vendor has entered into a Contract dated on or about December 22, 2025, with the City of Midlothian, Texas in response to the City of Midlothian, Texas Request for Proposal, RFP#2025-28 Medical Supplies (the “Contract”). A copy of the Contract (which includes City of Midlothian RFP#2025-28 EMS Fire Dept. Medical Supplies and Vendor’s Response) is attached hereto as “Exhibit 1” and incorporated herein by reference for all purposes; and

WHEREAS, the City desires to utilize the above-referenced Contract between the Vendor and the City of Midlothian, Texas for medical supplies, with anticipated expenditures estimated at approximately **Five Hundred Seventy-Eight Thousand Seven Hundred Twenty-One Dollars (\$578,721.00)** over the contract term and any exercised renewal options, subject to budget appropriation and actual departmental needs, and the Vendor consents to the aforesaid utilization.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other valuable consideration received, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The above stated recitals are true and correct.
2. Vendor agrees to furnish and deliver to the City the goods or services requested by the City as further detailed in the Contract. The City agrees to pay Vendor for the goods or services at the prices set forth in the Contract, subject to the terms and conditions of the Contract and this Agreement. Notwithstanding anything herein to the contrary, the amount the City shall pay to Vendor shall not exceed **Five Hundred Seventy-Eight Thousand Seven Hundred Twenty-One Dollars (\$578,721.00)**.
3. The City shall make payment for goods or services in accordance with the Texas Prompt Payment Act, Chapter 2251, Texas Government Code. The date of any payment, whether net or gross, shall be determined by calculating the number of days after receipt of invoices from Vendor.
4. This Agreement shall commence on January 5, 2026, and shall remain in effect for an initial term of three (3) years, with two (2) one-year renewal options, subject to the terms and conditions of the Contract.
5. This Agreement is made and shall be construed according to the laws of the State of Texas, without

regard for conflicts of law principles. Venue of any court action brought directly or indirectly by reason of this Agreement shall be in Johnson County, Texas. This Agreement is made and is to be performed in Johnson County, Texas. In the event of a conflict of this Agreement and the Contract, the terms of this Agreement shall control.

6. All written notices shall be deemed to have been duly served if delivered in person to an individual, officer, legal representative, or member of the party for whom it is intended, or if delivered at or sent by registered mail to the last business address known to the person giving the notice.
7. INDEMNIFICATION. THE VENDOR (THE "INDEMNIFYING PARTY"), SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS THE CITY (THE "CITY INDEMNIFIED PARTY"), FROM AND AGAINST ANY AND ALL DAMAGES, LIABILITIES, DEMANDS, CAUSES OF ACTION, CLAIMS, JUDGMENTS, SUITS, COSTS AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES) MADE BY ANY THIRD-PARTY, TO THE EXTENT ARISING FROM OR RELATED TO THE GOODS OR SERVICES PROVIDED BY THE VENDOR PURSUANT TO THIS AGREEMENT (COLLECTIVELY, "INDEMNIFIED CLAIMS"), REGARDLESS OF THE LEGAL THEORY ASSERTED BY ANY THIRD PARTIES AND REGARDLESS OF WHETHER THE DAMAGES OR CLAIMS OF THIRD-PARTIES ARE KNOWN OR FULLY APPRECIATED AT THIS TIME BY VENDOR OR THE CITY. VENDOR SHALL GIVE TO THE CITY REASONABLE NOTICE OF ANY SUCH CLAIMS OR ACTIONS. VENDOR SHALL USE LEGAL COUNSEL REASONABLY ACCEPTABLE TO THE CITY IN CARRYING OUT ITS OBLIGATIONS HEREUNDER. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT. THIS INDEMNIFICATION IS NOT INTENDED TO APPLY TO CLAIMS MADE AGAINST THE CITY INDEMNIFIED PARTIES RESULTING FROM THE WRONGFUL ACT OR OMISSION OR NEGLIGENCE OF CITY EMPLOYEES COVERED UNDER SECTION 101.021 OF THE TEXAS CIVIL PRACTICE AND REMEDIES CODE.
8. Governmental Functions/Immunities. The parties hereby acknowledge and agree that City is entering this Agreement pursuant to its governmental functions and that nothing contained in this Agreement shall be construed as constituting a waiver of the City's governmental immunity from suit or liability, which is expressly reserved to the extent allowed by law. Notwithstanding anything to the contrary herein, the parties hereby acknowledge and agree that to the extent this Agreement is subject to the provisions of Subchapter I of Chapter 271, TEXAS LOCAL GOVERNMENT CODE, as amended, the City's immunity from suit is waived only as set forth in Subchapter I of Chapter 271, TEXAS LOCAL GOVERNMENT CODE. Further, the parties agree that this Agreement is made subject to all applicable provisions of the Texas Civil Practice and Remedies Code, including, but not limited to all defenses, limitations, and exceptions to the limited waiver of immunity from liability provided in Chapter 101 and Chapter 75.
9. Warranty: All products' and manufacturer's warranties and guarantees under the City of Midlothian Agreement, or Vendor guarantees or warranties shall be assigned to the City upon acceptance of delivery.

MISCELLANEOUS

1. The terms and conditions of any exculpatory or indemnity provisions in the Agreement shall construed in favor of the party being protected and shall survive the termination and completion of the Agreement. The judicial doctrine that provides that documents or exculpatory provisions are to be construed against the drafter or provider of such documents or provisions does not apply to this Agreement.
2. Vendor shall perform its obligations under this Agreement as an independent contractor and shall not be considered an employee of the City for any purpose whatsoever, including, but not limited to, entitlement

to City employee benefits. Vendor hereby expressly waives any claim or entitlement to such benefits. Furthermore, this Agreement is not intended to create, nor should it be construed as creating, a partnership, association, joint venture, or trust.

3. The waiver or failure of either party to exercise, in any respect, any right provided for in this Agreement shall not be deemed a waiver of any further right under this Agreement.

4. If any provision of this Agreement is invalid, illegal, or unenforceable under any applicable statute, court decision, or rule of law, it is to that extent to be deemed omitted. The remainder of the Agreement shall be valid and enforceable to the maximum extent possible.

5. No right or remedy granted herein or reserved to either party is exclusive of any other right or remedy provided or permitted by law or equity, but each shall be cumulative of every other right or remedy given hereunder. The waiver or failure of either party to exercise, in any respect, any right provided for in this Agreement shall not be deemed a waiver of any further right under this Agreement.

6. This Agreement is subject to the appropriation of public funds by the City in its budget adopted for any fiscal year for the specific purpose of making payments pursuant to this Agreement for that fiscal year. The obligation of the City pursuant to this Agreement in any fiscal year for which this Agreement is in effect shall constitute a current expense of the City for that fiscal year only, and shall not constitute an indebtedness of the City of any monies other than those lawfully appropriated in any fiscal year. In the event of non-appropriation of funds in any fiscal year to make payments pursuant to this Agreement, this Agreement may be terminated without any liability to either party.

7. This Agreement may be executed in counterparts, each of which shall be deemed an original and constitute one and the same instrument.

8. This Agreement, together with all exhibits referenced herein, embody the complete agreement of the parties hereto, superseding all oral or written previous and contemporary agreements between the parties and relating to matters in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have accepted the terms of this Agreement and caused this Agreement, including the exhibits attached hereto and incorporated herein by reference for all purposes, to be executed as of the dates set forth below.

WHEREAS, Contractor desires to render manufacturing and delivery services for the purchase of various medical supplies to support the fire department in emergency calls, as more fully described in Exhibit “A” and Exhibit “B” attached hereto and made a part herein by reference (the “Services”), and in accordance with the terms and conditions set forth in this Agreement;

NOW THEREFORE, in exchange for the mutual covenants set forth herein and other valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the Parties agree as follows:

Article I Term

The Term of this Agreement shall commence upon Contractor’s receipt of the City’s Notice to Proceed, and shall continue until completion of the Services, unless sooner terminated as provided here.

Article II Contract Documents

2.1. This Agreement consists of the following items:

- (a) This Agreement;
- (b) City’s Request for Bid Solicitation for Purchase of a 2025-28 EMS Fire Dept. Medical Supplies RFP (“City’s Bid”) (attached as Exhibit “A”); and
- (c) Supplier’s Response to City’s Bid (attached as Exhibit “B”).

2.2 In the event there exists a conflict in interpretation, the documents shall control in the order listed above. These documents shall be referred to collectively as “Contract Documents.”

Article III Scope of Services

The Parties agree that Contractor shall perform the Services specifically set forth under Exhibit "A" and Exhibit "B" attached hereto and incorporated herein by reference.

Article IV Compensation

4.1 City shall compensate Contractor in the total amount as set forth in Exhibit "B".

4.2 City shall pay Contractor within thirty (30) days after receiving an invoice for the Services. Contractor must submit a proper invoice with no errors or discrepancies and that all Services noted on the invoice has been completed. Any errors, discrepancies or the invoicing of Services not completed may result in a delay in payment.

4.3 Contractor shall be responsible for all expenses related to the Services provided pursuant to this Agreement including, but not limited to, travel, copying and facsimile charges, reproduction charges, and telephone, internet and e-mail charges.

Article V Devotion of Time; Personnel; and Equipment

5.1 Contractor shall devote such time as reasonably necessary for the satisfactory performance of the Services under this Agreement. Should City require additional services not included under this Agreement, Contractor shall make reasonable efforts to provide such additional services at mutually agreed charges or rates, and within the time schedule prescribed by City, and without decreasing the effectiveness of the performance of Services required under this Agreement.

5.2 To the extent reasonably necessary for Contractor to perform the Services under this Agreement, Contractor shall be authorized to engage the services of any agents, assistants, persons, or corporations that Contractor may deem proper to aid or assist in the performance of the Services under this Agreement. The cost of such personnel and assistance shall be borne exclusively by Contractor.

Article VI Suspension of Work

The City shall have the right to immediately suspend work by Contractor if the City determines in its sole discretion that Contractor has, or will fail to perform, in accordance with this Agreement. In such event, any payments due Company shall be suspended until Contractor has taken satisfactory corrective action.

Article VII Availability of Funds

If monies are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, this Agreement shall be canceled, and Contractor may only be reimbursed for the Services performed and goods delivered up to the effective date of the cancellation.

Article VIII Insurance

Contractor shall provide and maintain for the duration of this Agreement, and for the benefit of the City (naming the City and its officers, agents and employees as additional insureds), insurance coverage in full force and effect as set forth in Exhibit "A".

Article IX Termination

9.1 Termination for Cause. City may terminate this Agreement, with or without cause, by giving Contractor thirty (30) days prior written notice. Upon receipt of a notice of termination, Contractor shall promptly cease placing orders and all further work pursuant to the Agreement, with such exceptions, if any, specified in the notice of termination. City shall pay Contractor, to the extent funds are appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of termination in accordance with the terms hereof.

9.2 Termination for Default. City reserves the right to terminate this Agreement without prior notice in the event Contractor defaults or breaches any of the terms and conditions of the Agreement, or otherwise fails to perform in accordance with the bid specifications. In the event of termination, City reserves the right to complete the work or services in any manner it deems desirable, including engaging the services of other parties therefore and/or awarding the bid to the next lowest responsible respondent. Any such act by the City shall not be deemed a waiver of any other right or remedy of the City. If, after exercising any such remedy, the cost to City of the performance of the balance of the work or services is in excess of that part of the Agreement sum, which has not therefore been paid to Contractor hereunder, Contractor shall be liable for and shall reimburse the City for such excess.

Article X Indemnification

CITY SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE, OR INJURY OF ANY KIND OR CHARACTER TO ANY PERSON OR PROPERTY ARISING FROM THE SERVICES OF CONTRACTOR PURSUANT TO THIS AGREEMENT. CONTRACTOR HEREBY WAIVES ALL CLAIMS AGAINST THE CITY, ITS OFFICERS, AGENTS AND EMPLOYEES (COLLECTIVELY REFERRED TO IN THIS SECTION AS "CITY") FOR DAMAGE TO ANY PROPERTY OR INJURY TO, OR DEATH OF, ANY PERSON ARISING AT ANY TIME AND FROM ANY CAUSE OTHER THAN THE NEGLIGENCE OR WILLFUL MISCONDUCT OF

THE CITY. CONTRACTOR AGREES TO INDEMNIFY AND SAVE HARMLESS THE CITY FROM AND AGAINST ANY AND ALL LIABILITIES, DAMAGES, CLAIMS, SUITS, COSTS (INCLUDING COURT COSTS, ATTORNEYS' FEES AND COSTS OF INVESTIGATION) AND ACTIONS BY REASON OF INJURY TO OR DEATH OF ANY PERSON OR DAMAGE TO OR LOSS OF PROPERTY TO THE EXTENT CAUSED BY THE CONTRACTOR'S NEGLIGENT PERFORMANCE OF SERVICES UNDER THIS AGREEMENT OR BY REASON OF ANY ACT OR OMISSION ON THE PART OF CONTRACTOR, ITS OFFICERS, DIRECTORS, SERVANTS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONSULTANTS, SUBCONTRACTORS, LICENSEES, SUCCESSORS OR PERMITTED ASSIGNS (EXCEPT WHEN SUCH LIABILITY, CLAIMS, SUITS, COSTS, INJURIES, DEATHS OR DAMAGES ARISE FROM OR ARE ATTRIBUTED TO SOLE NEGLIGENCE OF THE CITY). IF ANY ACTION OR PROCEEDING SHALL BE BROUGHT BY OR AGAINST THE CITY IN CONNECTION WITH ANY SUCH LIABILITY OR CLAIM, CONTRACTOR, ON NOTICE FROM THE CITY, SHALL DEFEND SUCH ACTION OR PROCEEDINGS AT CONTRACTOR'S EXPENSE, BY OR THROUGH ATTORNEYS REASONABLY SATISFACTORY TO THE CITY. THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

11.2 Assignment. Contractor may not assign this Agreement in whole or in part without the prior written consent of the City. 11.7 Independent Contractor. It is understood and agreed by and between the Parties that Contractor, in satisfying the conditions of this Agreement, is acting independently, and that the City assumes no responsibility or liabilities to any third party in connection with these actions. All services to be performed by Contractor pursuant to this Agreement shall be in the capacity of an independent contractor, and not as an agent or employee of the City. **ADDENDUM #1
2025-28**

EMS Medical Supplies

The following clarifications were requested regarding the captioned RFP. The replies are in red.

- Bid asks for a total of each section however does not give a quantity to multiply the bid price against- how are we to provide totals?

On the quantity columns, please indicate how many are in your box/case. The totals at the bottom will be for 1 each/box/case.

- Is DocuSign an acceptable form of signature?

Yes

- Just to be clear, you will accept price increases anytime during the 5 years with a 30-day notice if we receive an increase on an item?

Timeframes for price changes are a part of your bid. Page 3 #20 Page 9 #7

- During this time of uncertainty, we are experiencing unexpected increases across all product categories from all manufacturers they will not all provide documentation or notification of these increases, are we allowed to present the changes increase/decrease as we receive them with the 30-day notice without the documentation if we do not have it?

Proof of increase is required.

- For products listed as NO Substitution- and the listed Manufacturer is Curaplex, can we provide our equivalent product? Curaplex is a private label for BoundTree Medical, if we cannot provide our equivalent product this would be a sole source bid item and they should be removed from the bid or allow for other bidders to bid the equal item for the bid to be considered fair and impartial. Will you remove the NO Substitution from these line items?

In regard to the Curaplex question. Several items are sole source from Curaplex that we presently use. It would be detrimental and cost prohibitive to change up some of these and start using another brand. I will highlight the ones that are an absolute that as a department, we cannot start over on. These are all in Red. The ones in yellow, they can bid as equivalent. I would want samples of their items in Yellow to see if they are equivalent to what we are using now. Per KC

- Upon review, if there are bid terms and conditions the Vendor may not be able to agree to, will the City allow the Vendor to include clarifications or exceptions as part of its bid submission?

Yes, but this will be considered when "Best Value" for City is determined.

Strong Foundations. Bright Futures.

RE: Price Adjustments Due to Tariffs

To Whom It May Concern:

As has been widely publicized, new tariffs have been implemented on certain imported goods, including medical supplies. While these tariffs are expected to impact pricing on products your agency purchases from Bound Tree, we remain committed to securing inventory at the most competitive prices and providing great value to our customers.

In an effort to mitigate cost increases, Bound Tree has been actively collaborating with key manufacturers and suppliers ("Suppliers") to identify alternative sourcing options, manage costs, and inventory levels. However, if Bound Tree receives a price increase from a Supplier for a product that was awarded pursuant to a bid and such price increase is related to a tariff, Bound Tree will notify you of the price increase, as well as the effective date in which your agency should expect a corresponding change (if any) in its pricing. Bound Tree will also strive to provide any relevant pricing documentation received from the Supplier. If your agency elects not to accept a proposed price increase, Bound Tree reserves the right to remove the affected product(s) from the contract or offer an alternative product, which may be subject to different pricing.

Please be assured, Bound Tree will continue to monitor the status of existing tariffs, in addition to any proposed new tariffs. If and when there is a change in tariffs (e.g. reduction or elimination), Bound Tree will attempt to adjust your pricing accordingly.

We appreciate your understanding and continued partnership as we navigate these evolving market conditions.

Sincerely,

RE: Price Increase Policy

To Whom It May Concern:

In recent years, we have witnessed substantial shifts within the global supply chain, affecting the availability and cost of essential emergency medical products. Rising manufacturing costs, extended lead times, and significant increases in shipping and logistics expenses have placed considerable pressure on pricing within the EMS market.

Bound Tree remains dedicated to providing our customers with a reliable supply of high-quality products at competitive prices. We work closely with our supplier partners to secure adequate inventory and mitigate pricing impacts wherever possible. However, in some instances, our key suppliers have implemented price adjustments, with additional changes potentially forthcoming.

In the event of a price increase after a bid award, Bound Tree will promptly notify you and, when possible, provide supporting documentation from our suppliers to substantiate these adjustments. We will make every attempt to have the new contract pricing take effect according to the notification period outlined in the contract. If the price increase is not accepted, Bound Tree reserves the right to remove the affected product(s) from the contract or to provide an alternative product, which may be offered at a different price.

We appreciate your understanding and value your partnership as we navigate these challenges together.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Meriweather", with a long horizontal flourish extending to the right.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

### VAWD Certified State and Nationally Licensed

Several of BoundTree's Distribution Centers have received VAWD (Verified - Accredited Wholesale Distributors) accreditation from the National Association of Boards of Pharmacy (NABP). VAWD accreditation is achieved after a criteria compliance review that includes a rigorous evaluation of operating policies and procedures, licensure verification, survey of facility and operations, background checks and screening through the NABP Clearinghouse. Our accreditation demonstrates that we are in compliance with state and federal laws and that our prescription drugs are distributed safely and securely.

For a complete listing of VAWD-Accredited Facilities, please visit:

<https://nabp.pharmacy/programs/accreditations-inspections/drug-distributor/accredited-drug-distributors/>

### Compliant with DSCSA Requirements

Under the Drug Supply Chain Security Act (DSCSA), entities in the supply chain including manufacturers, wholesale distributors, and dispensers have responsibilities to meet the requirements of the DSCSA. As of May 1, 2015 all wholesalers are required by law, under the DSCSA, to provide transaction information, transaction history and transaction statements for the pharmaceuticals that they supply.

Bound Tree is compliant with these FDA standards which helps improve patient protection by preventing the distribution of substandard or ineffective drugs and while providing our customers with the product and transaction information they need to be in compliance with the FDA standards.

Under the DSCSA you are responsible for knowing that your prescription drug wholesale distributor is an authorized trading partner who holds a valid state or federal license. Bound Tree Medical is licensed federally and in all 50 states. Purchasing from a licensed and VAWD accredited distributor like Bound Tree Medical makes great strides to ensure none of your purchases will ever be counterfeit, contaminated, improperly stored and transported, ineffective, and/or unsafe.

Wholesaler Distributor licenses can be searched online:

### Controlled Substance Ordering System (CSOS)

Class II Controlled Substances can be ordered through our secure electronic Controlled Substances Ordering System (CSOS) without the supporting paper DEA Form 222! The DEA's CSOS program is the only allowance for electronic ordering of Class II controlled substances. To participate in CSOS, the DEA registrant must first acquire a CSOS digital certificate from the DEA. Once the certificate is received, Class II orders can be placed through our secured website: [e222.boundtree.com](http://e222.boundtree.com)

For more information about CSOS please visit: [www.deaecom.gov](http://www.deaecom.gov)

*Bound Tree will continue to accept paper 222 forms for those who wish to utilize that method for ordering.*

**YOUR PARTNER  
IN EMS.**

## Current situation.

- **Financial challenges plague EMS** across all delivery models; rural EMS is in a crisis. Low reimbursements from CMS & commercial insurers, frequently below the cost of the care provided, and lack of funding to support EMS have been the primary contributing factors.
- **High levels of stress, fatigue and burnout** among the EMS workforce. Workforce shortages as reported in national news are exacerbating an already very challenging environment.
- **EMS is a small percentage** of the consumption of PPE within the healthcare market and was left under-allocated for PPE during the pandemic.
- **EMS impacted by shortages and short expiration dates** on critical cardiac arrest and respiratory therapy drugs. Pharmaceutical companies prioritize large hospital GPOs & IDNs over EMS
- **Inefficiencies in using the Strategic National Stockpile** to provide critical PPE to EMS agencies who were the "Tip of the Sword" during the pandemic
- **Community paramedicine** remains an underutilized asset in local healthcare systems due to the lack of reimbursement for this highly cost effective, patient-centered type of care

## Advocating for EMS.

- **Increased sourcing efforts** during the pandemic, making financial investments in PPE inventory.
- **Partnered with US government** to address challenges in getting FDA-approved products, given significant counterfeit in N95 masks and gloves.
- **Volunteered to assist** FEMA, HHS, DHS, DoD, FDA and CDC officials as "Voice of EMS" for Committee for the Distribution of Medical Resources Necessary to Respond to a Pandemic, advocating for effective distribution of PPE to first responders.
- **Advocated for increased allocation and funding** for EMS and hardest-hit communities through outreach to over 35 congressional offices.
- **Providing critical data monthly** to HHS Preparedness and Response teams, providing them greater visibility of PPE needs for EMS during the COVID-19 pandemic, as well as future pandemics and natural disasters.
- **Working with the Federal Maritime Commission** and west coast terminal operators to prioritize essential medical supplies at US ports.

## How Congress can help.

- **Adjust the ambulance fee schedule** to cover the cost of the emergent, urgent and preventive care provided by EMS, and include reimbursement for treatment in place, transport to alternate designations, telemedicine facilitation, and community paramedicine.
- **Support Bound Tree's efforts** with pharmaceutical companies and the FDA to prioritize production of key lifesaving drugs for EMS at reasonable costs, as well as to reduce the amount of "short expiration dates."
- **Fully fund the SIREN Act** (Support and Improving Rural EMS Needs) in FY2022.
- **Support efforts to strengthen** America's Strategic National Stockpile by directing SNS to partner with healthcare distributors to manage PPE during pandemics and natural disasters.
