DEPARTMENT: Development Services

FROM: Tony McIlwain, Development Services Director

MEETING: June 3, 2024

SUBJECT:

1530 Candler Dr (Case 24-064): Hold a public hearing and consider approval of an ordinance for a zoning change request from "PD", Planned Development to "PD" Planned Development for Lot 3, Block 1, Shannon Creek Development, "The Cottages at Candler Drive". (*Staff Contact: Tony McIlwain, Development Services Director*) (*The Planning and Zoning Commission recommended approval unanimously*)

SUMMARY:

On February 19, 2024, a zoning change request was submitted by Drew Wegman representing Silver Leaf Homes (owner) to change the zoning of approximately 9.161 acres to PD, Planned Development.

DEVELOPMENT OVERVIEW:

The owners are proposing a change from their current PD, Planned Development zoning to a new PD, Planned Development zoning for the development of multiple townhome complexes for a total of 100 dwelling units. Current conceptual plan shows 100 dwelling units, ordinance maximum density would allow no more than 110 dwelling units. The original planned development allowed single-story attached or detached cottages and required a revision to the zoning and site exhibit (layout) prior to development of cottages on Tract 3. The applicant's proposed PD incorporates the original Shannon Creek Development standards with changes to allow two-story cottages, as well as to update the site layout and architectural design elements. The proposed density (10.9 dwelling units per acre) conforms to the original Shannon Creek Development standards of a maximum 12 dwelling units per acre. The preliminary layout for the Cottages at Candler Drive (Exhibit "C" of the Ordinance) includes a clubhouse with a pool, pickle ball court, and dog park.
