
Cemetery Board

DEPARTMENT: Parks and Recreation
FROM: David Lopez, Deputy Director of Parks
MEETING: January 11, 2023

SUBJECT:

Receive a report, hold and discussion, and give staff feedback regarding the re-setting of upright monuments at the Burleson Memorial Cemetery. (*Staff Presenter: David Lopez, Deputy Director of Parks*)

SUMMARY:

The City hired a grave services company to assess the condition of all upright monuments at the Burleson Memorial Cemetery and provide a summary of severity for leaning monuments. The assessment also included specifications for re-setting monuments level with grade in a manner that would minimize leaning in the future. The City used the specifications to bid and award a contractor to repair the most severely leaning monuments according to the assessment.

RECOMMENDATION:

Staff is seeking feedback and input from Cemetery Board regarding this project.
