3	The most of the problems the city don't clean out clogged pipes and will not keep creek's clean of weeds, tall grasses, log jams. If not keeping up with clearing water ways the city is just wasting our funds that we can't afford to pay. Come on please use some common sense on this matter.	11/8/2025 8:12 AM
4	Yes, I'm sure there are many. I have talked with some of the neighbors in my neighborhood. They all have issues with their yards flooding. Burleson is more interested in streets flooding than personal property.	11/7/2025 11:50 AM
5	I don't know.	11/7/2025 9:34 AM
6	I'm pleased with the road work done on hurst (south of hidden creek)!!! That should decrease the amount of flooding (and it looks great!!).	11/7/2025 7:51 AM
