## City Council Regular Meeting

**DEPARTMENT:** Capital Engineering

**FROM:** Randy Morrison, PE, Director of Capital Engineering

**MEETING:** December 15, 2025

---

**SUBJECT:**

Consider and take possible action on a professional services agreement with UES Professional Solutions 44, LLC for providing construction materials testing and related quality control services for the Industrial Blvd. Pump Station Expansion project in the amount of \$110,790.00 (WA2301).  
(Staff Contact: Randy Morrison, PE, Director of Capital Engineering)

**STRATEGIC PRIORITY AND GOAL(S):**

Strategic Priority	Strategic Goal
 <p><b>Dynamic &amp; Preferred City</b> Through Managed Growth</p>	2.4 Implement the city's Capital Improvement Program 2.5 Develop and maintain facilities and utility services

**SUMMARY:**

The scope of this professional services agreement provides construction materials testing and related quality control services for the Industrial Blvd. Pump Station Expansion project, including earthwork and utilities testing, mechanical lime stabilization testing, pier inspection monitoring, concrete testing and structural steel inspection

This contract is for professional services as defined under Texas Government Code Chapter 2254, Professional Services Procurement Act. In accordance with Chapter 2254, professional service providers must be selected on the basis of demonstrated competence and qualifications rather than price. UES Professional Solutions 44, LLC has been determined by staff to be the most qualified provider for the required services based on prior experience with the City of Burleson on similar services.

In compliance with Chapter 2254, the City has negotiated a contract with UES Professional Solutions 44, LLC at a fair and reasonable price. Staff has determined that this procurement

meets the statutory requirements for the selection of professional services and is in compliance with applicable law.

**RECOMMENDATION:**

Consider and take possible action on a contract with UES Professional Solutions 44, LLC for providing construction materials testing and related quality control services for the Industrial Blvd. Pump Station Expansion project up to the amount of \$110,790.00 (WA2301).
