

# Concrete Street Repair Contract

---

PRESENTED TO THE CITY COUNCIL

JUNE 15, 2026

# Specification

- Necessary concrete repairs are being proposed on both major thoroughfares and residential streets throughout the City to address deteriorated pavement conditions and improve roadway safety.
- All contractor performed work is monitored and inspected by City staff to ensure compliance with applicable standards and specifications.
- This proposal allows Public Works staff to perform traffic control, demolition, and base preparation in house, while the contractor performs forming and concrete placement.

# Example Locations

---

# Example Locations

---

# Scope of Work

---

- The scope of work includes replacing adjacent curb and gutter, and sidewalks to the extent the repairs are necessary.
- Each location was marked and measured by Public Works.
- Though subject to change, this proposal is based on the following quantities:

<b>Curb and Gutter</b>	<b>Sidewalk</b>	<b>Flatwork (Street Repairs)</b>
2,375 LF	1,165 SF	652.81 CY

# Cooperative Purchasing

---

- State law authorizes local governments to participate in cooperative purchasing through interlocal agreements, allowing agencies to leverage contracts that have already been competitively procured by other public entities.
- The Tarrant County contract was awarded through a formal competitive process to Reliable Paving, Inc. of Arlington, TX, ensuring pricing and scope were established through open competition.
  - The original contract term included 12 months with two optional renewal periods.
  - In January 2026, the first renewal option was approved by the Commissioner's Court, with no price increase.
- The proposed Burleson contract, based on the Tarrant County procurement, totals \$949,460.

## Recommendation/Action Requested

---

Consider and take possible action on a service contract through an Inter-local Agreement Tarrant County with Reliable Construction for miscellaneous concrete services in the amount of \$949,460.
