FROM: Tony D. McIlwain, Development Services Director

MEETING: September 21, 2026

SUBJECT:

Consider and take possible action on a resolution authorizing a land exchange involving 4.106 acres of land, addressed as 2100 Lakewood Drive, and being part of Lot 1, Block 2, Hooper Business Park and 4.267 acres of land addressed as 9028 CR 1019, Burleson, Texas. (*Staff Contact: Tony D. McIlwain, Development Services Director*)

STRATEGIC PRIORITY AND GOAL(S):

Strategic Priority	Strategic Goal
 Dynamic & Preferred City Through Managed Growth	2.2 Promote sustainable residential and commercial development through strategic and long-term planning

SUMMARY:

RA Development and MPC18 LLC (i.e. Developers) have expressed interest in developing a multifamily project involving 4.106 acres of land, being part of Lot 1, Block 2, Hooper Business Park. This tract of land abuts public right-of way, which is favorable for real property development. The Burleson 4A Economic Development Corporation approved a resolution authorizing the submittal of a zoning application involving 4.106 acres of land in association with MCP18 LLC on June 15, 2026. Council subsequently ratified the EDC's action and the zoning request. This item represents the last step in the process.

On June 15, 2026, City Council approved an annexation application submitted by Justin Bond (with RA Development) on behalf of David Shanks (MCPC 18, LLC) for approximately 32.252 acres of land, including the subject 4.267 acre tract.

The Developers are proposing a land exchange involving the EDC tract and the 4.267-acre piece of property owned by MPC18 LLC. The 4.106-acre parcel provides the necessary road

frontage access for development along Lakewood Drive. The City would receive additional land abutting Hooper Business Park, with roadway frontage along CR 1019.

RECOMMENDATION:

Staff recommends approval of the resolution authorizing the land exchange.
