Staff's Recommendation

Staff recommends approval of the zoning change request from "SP" Site Plan Zoning and "A", Agricultural to "PD", Planned Development for the 3.016 acre site addressed as 3084 S Burleson Blvd as proposed by the applicant.

Proposed PD will:

- Restrict undesirable uses allowed by right in the Industrial zoning district.
- Eliminate IH-35 Design Standard applicability – alleviate existing business's redevelopment standards and reduce future waiver requests.
- The expansion of the existing business and newly proposed zoning will update an outdated zoning classification and further the vision of the Employment Growth Center designation.
