- March 23, 2026: Planning Staff provided this presentation to the City Council.
- April 14, 2026: Planning Staff provided this presentation the joint City Council and Planning and Zoning Commission.

Proposed Amendments

1. Regional Office/Commercial future land use category- explicitly allow apartment complexes, where adequate infrastructure and connectivity exist;
2. Chisholm Trail Corridor future land use category- include medium-to-high density residential use as part of mixed-use developments.
3. Transit-Oriented Development future land use category- redesignate to Community Commercial (along Alsbury and SW Hulen) and Mixed Use for remaining areas.

Proposed Amendments (cont'd.)

4. Employment Growth Center future land use category- inclusion of heavy and high energy industrial uses.
5. Addendum to catalog-
 - Text and map changes are approved by the Council.
 - Plan Goals/Actions have been completed, or need to be revised.
6. Notation on Future Land Use Map- containing the following clearly visible statement: "A comprehensive plan shall not constitute zoning regulations or establish zoning district boundaries."

Regional Office/Commercial/ Multifamily

- This land use category is intended for uses with regional emphasis due to the area's high visibility.
- Uses such as large retail centers, hotels, restaurants, and corporate or professional offices are encouraged.
- ~~Remove text: Medium to high-density residential may be allowed as part of a mixed-use development.~~
- New text: Apartments complexes may be suitable on parcels within the IH-35 overlay of this future land use category that also have adequate infrastructure and connectivity to support density.
- This area should be served by a well-designed street system to facilitate quality developments.
- Due to the visibility from roadways, architectural design and screening are important.

Corresponding Zoning Districts:
GR, C, [add Multifamily Dwelling District and Planned Development]

Re-designating Transit-Oriented Development Category

- New text: Community Commercial is generally located along major streets and at significant nodes. This category is intended to provide suitable areas for the development of light to medium intensity commercial uses to support surrounding urban development.
- New text: Mixed-use developments consisting of office, retail, cultural facilities, and housing are encouraged. Housing options include a range of medium-to-high density single-family and multifamily residential.
- New text: Mixed use developments should be integrated at key nodes, focusing on placemaking and walkability, both within the node and from surrounding neighborhoods.
- New text: Landscaping and urban design should enhance visitors' experiences, separate sidewalks from major roads and define pedestrian routes to promote connectivity and walkability.

Corresponding Zoning Districts:
Neighborhood Services, General
Retail, (add Planned Development)

Employment Growth Center

Incorporate heavy and high energy industrial uses within the **Employment Growth Center** category.

This designation also includes Commercial and Business Park Overlay uses.

NOTE: The light gray areas are designated as Future Development, on the FLUM. These areas are located outside of current city limits, with no zoning or associated land use.

Addendum

Inclusion of an addendum to the Midpoint Plan in instances where:

- **Text and map changes are approved by the Council**
- **Plan Goals/and or Actions have been completed, or need to be revised**

Addendum Example

Fairfax County, Va. utilizes a Plan amendment work program that (with modifications) could serve as a template for the addendum.

The example to the right would succinctly capture the nature and date of changes to the Midpoint 2020 Update Plan.

2025 Fairfax County Comprehensive Plan Amendment Work Program				
Adopted by the Board of Supervisors on June 10, 2025, as amended through December 9, 2025				
The Comprehensive Plan Amendment Work Program lists authorized current and future planning studies and amendments. Work Program items identified as "Tier 1" are in areas of development focus or support an identified County priority, such as providing affordable housing or enhancing office development, and represent the highest priority for staff resources and timing. Items identified as "Tier 2" may not be in areas of development, and are typically reviewed in conjunction with the submission of a development application and as staff resources are available. Items identified as "Tier 3" are deferred studies, with the timing of the review to begin following completion of other studies, planning efforts, or other actions that would influence the policy context.
