WHEREAS the City Council passed, approved, and adopted Ordinance B-582, being the Zoning Ordinance and Map of the City of Burleson, Texas, showing the locations and boundaries of certain districts, as amended, and codified in Appendix B of the City of Burleson Code of Ordinances (2005) (the “Zoning Ordinance and Map”); and

WHEREAS, an application for a zoning change was filed by **JBT Burleson LLC.** on **March 30, 2026**, under **Case Number ZC26-003**, on property described herein below filed application with the City petitioning an amendment of the Zoning Ordinance and Map so as to rezone and reclassify said property from its current zoning classification; and

WHEREAS, the Planning and Zoning Commission of Burleson, Texas, held a public hearing on said application after at least one sign was erected upon the property on which the change of classification is proposed in accordance with the Zoning Ordinance and Map, and after written notice of such public hearing before the Planning and Zoning Commission on the proposed rezoning had been sent to owners of real property lying within 300 feet of the property on which the change of classification is proposed, said notice having been given not less than ten (10) days before the date set for hearing to all such owners who rendered their said property for City taxes as the ownership appears on the last approved City Tax Roll, and such notice being served by depositing the same, properly addressed and postage paid, in the U.S. mail; and
