- Development of MF2, Multifamily adjacent to the Hooper Business Park provides additional housing options to achieve the economic goals of the Hooper Business Park.

- On April 13, 2026, an application was submitted by Justin Bond with RA Development on behalf of David Shanks (MCPC 18, LLC) for the voluntary annexation of approximately 32.252 acres of land for future residential development.
- Consideration of any zoning request would follow the same process relating to public notice and public hearings before the Planning and Zoning Commission and City Council. This action does not obligate the Planning and Zoning Commission to a favorable recommendation, or City Council to approval of the zoning request.

- City Council's ratification of a minute order approving the EDC's action regarding the rezoning request.
