

# Proposed Budget FY2024 Tax Rate and Related Ordinances

---

*PRESENTED TO THE CITY COUNCIL ON SEPTEMBER 5, 2023*

# Assumptions for General Fund

---

## Assessed Value Increases

- FY 2025-28: Assumes 3.5% growth of existing properties and 2% new improvements
- FY 2025-26: Assumes an additional 1% homestead exemption each year.

## Sales Tax

FY 2023:  
Assumes 6%

FY 2024 Proposed:  
Assumes 3% increase

FY 2025-2028:  
Assumes 3% increase

# Tax Rate History

| Tax Year           | GF Rate  | Debt Rate | Total Rate | Decrease<br>\$0.0247 |
|--------------------|----------|-----------|------------|----------------------|
| Proposed FY2023-24 | \$0.4402 | \$0.1923  | \$0.6325   |                      |
| FY2022-23          | \$0.4649 | \$0.1923  | \$0.6572   |                      |
| FY2021-22          | \$0.4974 | \$0.1885  | \$0.6859   |                      |
| FY2020-21          | \$0.5187 | \$0.1924  | \$0.7111   |                      |
| FY2019-20          | \$0.5106 | \$0.2094  | \$0.7200   |                      |
| FY2018-19          | \$0.5228 | \$0.2122  | \$0.7350   |                      |
| FY2017-18          | \$0.5228 | \$0.2122  | \$0.7350   |                      |
| FY2016-17          | \$0.5228 | \$0.2122  | \$0.7350   |                      |
| FY2015-16          | \$0.5278 | \$0.2122  | \$0.7400   |                      |
| FY2014-15          | \$0.5278 | \$0.2122  | \$0.7400   |                      |
| FY2013-14          | \$0.5278 | \$0.1622  | \$0.6900   |                      |

# Average Home Value

---

| Fiscal Year    | Average Home Value | Tax Rate   | Tax Levy   | Homestead | Net Tax Bill |
|----------------|--------------------|------------|------------|-----------|--------------|
| FY 2023        | \$253,812          | \$0.6572   | \$1,668.05 | (\$33.36) | \$1,634.69   |
| FY 2024        | \$282,966          | \$0.6325   | \$1,789.76 | (\$53.69) | \$1,736.08   |
| Net Difference | \$29,154           | (\$0.0247) | \$121.71   | \$20.33   | \$101.39     |

- Monthly net tax bill increase of \$8.45 per month.

# Summary of Assumptions

---

|                                 | FY 24   | FY 25   | FY 26    | FY 27    | FY 28   |
|---------------------------------|---------|---------|----------|----------|---------|
| Tax Levy                        | 3.5%    | 3.5%    | 3.5%     | 3.5%     | 3.5%    |
| New Construction Growth         | 2%      | 2%      | 2%       | 2%       | 2%      |
| Sales Tax Growth                | 3%      | 3%      | 3%       | 3%       | 3%      |
| Compensation                    | 3.5%    | 3.0%    | 3.0%     | 3.0%     | 3.0%    |
| Cash Funding – Capital Projects | \$1.4M  | \$.64K  | \$.88K   | \$1.38M  | \$0     |
| Future Bond Sales               | \$93.7M | \$74.5M | \$40.92M | \$15.93M | \$22.0M |

# Water/Wastewater

# Water Rates -3% increase

| Section 1                                               |            |            |
|---------------------------------------------------------|------------|------------|
| The base water rates per meter size shall be as follow: |            |            |
|                                                         | Current    | Proposed   |
| 3/4                                                     | \$15.56    | \$16.03    |
| 1                                                       | \$22.41    | \$23.08    |
| 1.5                                                     | \$42.19    | \$43.46    |
| 2                                                       | \$62.18    | \$64.05    |
| 3                                                       | \$149.55   | \$154.04   |
| 4                                                       | \$249.26   | \$256.74   |
| 6                                                       | \$497.41   | \$512.33   |
| 8                                                       | \$745.56   | \$767.93   |
| 10                                                      | \$991.51   | \$1,021.26 |
| 12                                                      | \$1,144.90 | \$1,179.25 |

| Section 2                                                                                                    |                     |                     |
|--------------------------------------------------------------------------------------------------------------|---------------------|---------------------|
| In addition to the base water rate per meter size, the water rates for all areas of the City are as follows. |                     |                     |
|                                                                                                              |                     |                     |
| 1 gallon to 10,000 gallons                                                                                   | Current             | Proposed            |
| Meter Size                                                                                                   |                     |                     |
| All                                                                                                          | \$4.76/1000 gallons | \$4.90/1000 gallons |
| 10,001-20,000 gallons                                                                                        |                     |                     |
| Meter Size                                                                                                   |                     |                     |
| All                                                                                                          | \$5.75/1000 gallons | \$5.92/1000 gallons |
| Over 20,000 gallons                                                                                          |                     |                     |
| Meter Size                                                                                                   |                     |                     |
| All                                                                                                          | \$6.57/1000 gallons | \$6.57/1000 gallons |
| Gas Well Drilling                                                                                            |                     |                     |
| Meter Size                                                                                                   |                     |                     |
| All                                                                                                          | \$13.55             | \$13.96             |

# Wastewater Rates -3% increase

| Section 3                                                                                                                                                                                                                                                                                                                                    |                      |                      |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|
| The base wastewater rate shall be as follows:                                                                                                                                                                                                                                                                                                |                      |                      |
|                                                                                                                                                                                                                                                                                                                                              | Current              | Proposed             |
|                                                                                                                                                                                                                                                                                                                                              | \$19.16              | \$19.73              |
| Residential                                                                                                                                                                                                                                                                                                                                  |                      |                      |
| Residential wastewater volume will be determined as the average of water consumption billed in the months of January, February, and March up to a maximum of 12,000 gallons. If a customer has not established an average for these three months, wastewater volume will be determined as the citywide residential average for those months. |                      |                      |
| The rate applied to this volume will be                                                                                                                                                                                                                                                                                                      |                      |                      |
|                                                                                                                                                                                                                                                                                                                                              | Current              | Proposed             |
