

# PARKS AND RECREATION STANDARDS OF CARE

City Council: October 6, 2025

Staff Presenter: Jen Basham, Director of Parks and Recreation

# BACKGROUND

- The Texas Department of State Health Services (DSHS) regulates licensed childcare, but municipal day camps are exempt from state childcare licensing.
- Instead, cities must adopt their own “Standards of Care Ordinance” annually to operate youth programs without being classified as a childcare facility.
- Purpose: To establish basic childcare regulations for recreation-based youth programs operated by the Burleson Parks and Recreation Department.

# IMPLEMENTATION

- Oversight of all youth service programs will be the responsibility of the Burleson Parks and Recreation Department.
- Department leadership will supervise overall program components, while designated program and on-site staff will provide direct, day-to-day administration.
