BURLESON PUBLIC ART PLAN

BARB & ERNIE MCCRAW

- In partnership with Russell Art Farm and directly from community engagement outcomes at BTX Beats the artist team led two efforts: the creation of 8 - 4' x 4' Barn Squares and a quilt intended to hang in the interior of Burleson City Hall once renovations are complete.
- The Quilt was presented to City Council at a public meeting on June 16th, 2025.
- The Barn Squares will be on a rotating display throughout city spaces until a permanent home for each is determined.

WHAT CHARACTERISTICS, PLACES, AND/OR VALUES ARE UNIQUE OR ICONIC TO BURLESON?

COMPARED TO ITS NEIGHBORS, SHOULD BURLESON BLEND IN OR TRY TO STAND OUT?

WHEN IT COMES TO ART IN BURLESON, SHOULD IT FEEL MORE HOME GROWN AND LOCAL OR SOMETHING NEW AND UNEXPECTED?

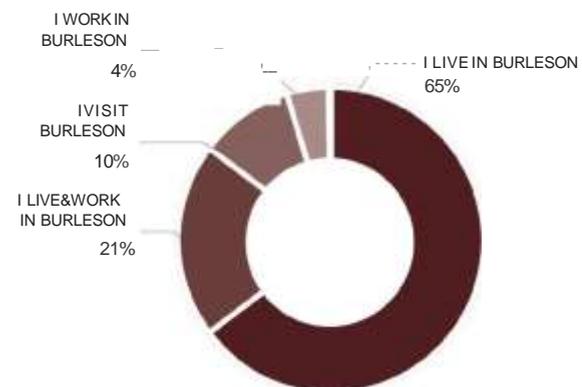

WHEN IT COMES TO ART IN BURLESON, SHOULD IT FEEL PURELY ARTISTIC AND CREATIVE OR SHOULD IT HAVE A MEANING BEHIND THE WORK?

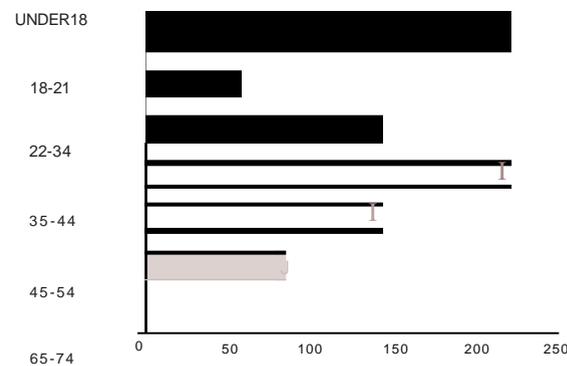

SHOULD PUBLIC ART IN BURLESON BE MORE FOR LOCALS. OR BE UTILIZED TO DRAW PEOPLE TO THE AREA (FOR SHOPPING, DINING, ETC.)?

WHAT IS YOUR RELATIONSHIP TO BURLESON?

WHAT IS YOUR AGE?

VISION

WE ENVISION PUBLIC ART ENRICHING BURLESON, SERVING AS A CONSTANT SOURCE OF DISCOVERY AND CIVIC PRIDE. SEAMLESSLY INTEGRATED INTO OUR PUBLIC SPACES, IT WILL SPARK CURIOSITY, INVITE DIALOGUE, AND TRANSFORM THESE AREAS INTO INSPIRING PLACES THAT TELL OUR COMMUNITY'S STORY – PAST, PRESENT, AND ASPIRATIONS. THIS WILL MAKE BURLESON A MORE BEAUTIFUL, CONNECTED, AND MEMORABLE PLACE WHERE EVERYONE TRULY BELONGS AND THRIVES.

GOALS

- 1** | **CREATE PLACES THAT FOSTER MEANINGFUL CONNECTIONS**
- 2** | **REFLECT OUR UNIQUE CHARACTER**
- 3** | **CELEBRATE OUR COMMUNITY SPIRIT**
- 4** | **CONTRIBUTE TO OUR ECONOMIC VITALITY**

CURATORIAL APPROACH

WE VALUE PUBLIC ART THAT:

- Brings people together, builds our collective identity, and says who we are and what we value.

- Speaks to our collective humanity.
- Responds to the surrounding environment/site-specific.

POLICY & PROCESS

FUTURE FUNDING MODEL EXPLORATION

BURLESON PUBLIC ART PLAN

GENERAL FUND ALLOCATIONS

- Very common method of paying for one-off public art projects.

PERCENT-FOR-ART IN CIP

- Most typically 1% of public capital improvement projects, one of the most common public art program funding mechanisms nationally. (Bonded) Typically must be a work created in conjunction with the improvement and spent and installed in accordance with the construction schedule. City of Denton has percent for art within Bond Projects alongside HOT/MOT funding.

PERCENT-FOR-ART IN PRIVATE DEVELOPMENT

- City of Keller has this, is equivalent to a 0.25% fee of construction value on all development exceeding 5 units of residential. Potential yield for them during formalization was \$200,000+, this would have generated over **\$120,000 on average over the last five years if implemented in Burleson.**

HOTEL/MOTEL TAX

- City of Burleson has this. Yielded \$75,000 in the cycle leading up to this plan.
- City Council can allocate up to 15 % of the total Hotel Occupancy Tax (HOT) revenues for public arts projects as allowed under Texas Tax Code 351.103(c).
- Typically HOT/MOT funding structures are more flexible than percent-for-art and allow expenditures on programming as well as permanent works of art.

FUTURE FUNDING MODEL EXPLORATION

BURLESON PUBLIC ART PLAN

PRIVATE

- Public art is frequently funded through philanthropic opportunities from private donors

GRANTS

- Multiple grant opportunities are available for public art projects. These will be pursued when they fit the scale and scope of projects.
- Examples include: National Endowment for the arts, Americans for the Arts, and the Public Art Challenge

COLLABORATION

- Many projects can be accomplished through partnerships with artists within the community
- Murals are an example of community driven opportunities where the City can purchase the supplies and set the theme and partner with the school district, Russell Farm, and Hill College to create art in public spaces

PUBLIC ART PROGRAM WORKPLAN

How it works

The Public Art Program Workplan is a document that outlines in-process projects, and projects will be initiated in the coming fiscal year(s). The Program Update is one of the most crucial elements of the Public Art Program. It creates a roadmap and allows for the input of community members, elected officials, and others who care deeply about public art in the City of Burleson.

1. The following steps will be taken to develop the Public Art Program Workplan:
2. Work with the City Manager's Offices to determine the availability of funds for the upcoming year(s).
3. Identify projects to be paid for by identified funding, including acquisition and maintenance.
 4. Develop a draft Public Art Program Workplan that will include locations, goals, and budgets for public art projects and programs for staff review.
5. Present the Update to City Council as part of the City budget approval.
6. Integrate feedback from City Council to determine the final Program Update.

MURAL POLICY OPTIONS

Option A: Mural Guidelines

Mural Design considerations for murals on public property, with a request that private property-owners follow design considerations for:

- Scale - Who will be the intended viewer or audience? A mural intended for pedestrians may be of a different scale than one intended for automobile drivers or cyclists along a bike trail.
- Accessibility - Are there opportunities to engage those who are visually impaired or otherwise not able to view the mural?
- Maintenance - What are the long term maintenance implications of the design? Is it easily repairable?
- Longevity - What is the expected life span of the mural? Is it intended to be a short or long term installation?
- Experiential Elements - Is there a potential for additional elements that could be added to enhance the experience of the viewer such as virtual (VR) or augmented (AR) reality elements, audio elements either on site or online, instagram or social media interactions or other opportunities?

Public Response Rates: Monitor the participation in surveys or public forums for specific art projects to track the response rate and community interest in the program over time.

Educational Outreach: Keep track of the number of school groups or community organizations involved in activities related to public art program, set goals annually to increase and diversify participation rates.
