STRATEGIC PRIORITY AND GOAL(S):

Strategic Priority	Strategic Goal
 High Performing City Organization Providing Exceptional, People Focused Services	1.2 Continue to improve the efficiency and productivity of operations 1.3 Deliver high-quality service and communications to external and internal customers 1.4 Be a responsible steward of the city's financial resources by providing rates and fees that represent a strong value to our citizens; providing timely, accurate and transparent financial reporting; and utilizing long-range planning.

SUMMARY:

The Texas Comptroller of Public Accounts' Transparency Stars program recognizes local governments for going above and beyond in their transparency efforts. The program recognizes government entities that accomplish the following:

- Open their books not only in their traditional finances, but also in the areas of contracts and procurement, economic development, public pensions, debt obligations, and Open Government and Compliance; and

- Provide clear and meaningful financial information not only by posting financial documents, but also through summaries, visualizations, downloadable data, and other relevant information.

A government entity can apply for one or more Stars, up to a maximum of six. Entities must first receive a Traditional Finances Star, but may apply for Stars in up to five other areas:

- Contracts and Procurement;
- Economic Development;
- Public Pensions;
- Debt Obligations; and
- Open Government and Compliance

The program recognizes the remarkable breadth and depth of information presented for each specific Transparency Star awarded, making each Star a prestigious achievement. The Stars stand on their own and are not awarded along a continuum or with an expectation that entities should attain six out of six Stars.
