**SUMMARY:**

As part of the FY 2025-2026 Capital Improvement Program (CIP), projects approved by the City Council during the budget process and presented in reimbursement resolutions also approved by the City Council on September 8, 2025 and October 10, 2025, are being proposed by staff for the issuance of General Obligation Refunding and Improvement Bonds (GOs). We have identified capital projects in the amount of \$17,210,778 to be included in the proposed FY 2025-2026 General Obligation Refunding and Improvement Bond sale.

The proposed amounts for debt issuance will be rounded to the nearest \$5,000. In addition, we are requesting authorization to issue Bonds in an amount not to exceed \$19,000,000, in case market conditions change at the time of the sale of the Bonds, to cover debt issuance costs.

We began the Bond issuance and notification process when the City Council approved a resolution of the Notice of Intent to issue Certificates of Obligation on June 15, 2026. The City Council also directed staff to bring forward a parameters ordinance for consideration this year

due to uncertainty in the marketplace. The parameters under which the Bonds can be sold are as follows:

- The aggregate principal amount of the Bonds shall not exceed \$19,000,000;
- The true interest cost of the Bonds shall not exceed 5%;
- The refunding of the Refunded Obligations must produce a net present value debt service savings of at least 0.5%;
- The final maturity of the Bonds shall not be later than March 1, 2046; and
- The delegation made hereby shall expire if not exercised by the Pricing Officer within ninety (90) days from the date of adoption hereof.

**RECOMMENDATION:**

Move approval of the ordinance authorizing the issuance of City of Burleson, Texas, General Obligation Refunding and Improvement Bonds, Series 2026; establishing procedures and delegating authority for the sale and delivery of the Bonds; providing an effective date; and enacting other provisions relating to the subject.
