SUMMARY:

In 1987, State legislation adopted the Texas Public Funds Investment Act (PFIA). Because of PFIA, the City Council adopted Investment Policy #30 on May 26, 1988. The policy was amended on October 5, 1995, and has been reviewed yearly, with minor updates made since then. The most recent revision was on September 2, 2025, with minor changes in wording that included the following:

- Investment officer titles were updated to reflect the current titles of the officers.
- Added: Deputy Finance Director
- Removed: Assistant Finance Director
- Removed Accounting Supervisor

- Included option for deposits insured by NCUSIF
- Updated diversification structure from two to three years for policy consistency
- Minor indentation and typo corrections

On June 21, 2021, the Council approved an investment advisory service agreement with Valley View Consultants. One of the initial tasks with Valley View was to work with staff to review the city's current investment policy. In the review process, they referred the City to the Government Treasurers' Organization of Texas (GTOT) for recommended best practices and their checklist for the GTOT Investment Policy Certification Award Program. On May 14, 2022, the City was awarded the GTOT Investment Policy Certification Award. In May 2024, we completed the recertification process and were awarded the certification again. This certification award is valid for two years. The Investment Policy will be submitted again in 2026 after council approval.

After review by internal staff and Valley View Consultants there are no recommended changes to the investment policy at this time.

RECOMMENDATION:

Staff presented the proposed Investment Policy to the Finance Committee, and they recommended that the City Council review and approve as presented.

PRIOR ACTION/INPUT (Council, Boards, Citizens):

On July 15, 2026, the Finance Committee met to discuss the Investment Policy and develop a recommendation for the City Council.
