DEPARTMENT: Parks and Recreation
FROM: Jen Basham, Director of Parks and Recreation
MEETING: October 13, 2022

SUBJECT:

Recommend approval of a contract with PlayWorks, Inc a sole source provider of Playwell products for improvements to Oak Valley Park in the amount of \$283,121.86. (*Staff Presenter: Daniel Shafer, Parks Superintendent*)

SUMMARY:

Oak Valley Park has been identified as a priority for development through the parks master plan. \$500,000 has been identified in the capital improvement plan to develop the park. The site is situated in a residential area. An initial review of the park has determined that based on the size and location of the park, Oak Valley Park is considered a community park. Typical amenities for a community park (a park that is between 16-99 acres) include: play feature, benches, picnic table, parking, lighting, walking trails and drinking fountain. Oak Valley Park is 17.86 acres and has existing parking on site. Future improvements could include additional lighting and a restroom.

Two surveys were sent out to the community to get feedback on specific elements and final design options. 338 respondents provided feedback on the concepts submitted.

Five designs firms created concepts for the park including: LSI, Playwell, Berliner, Kraftsman, and Kompan. Playwell's conceptual design was the overall supported winner with 52.24% of votes.
