(a) That the Issuer shall keep or cause to be kept at the designated corporate trust office of U.S. Bank Trust Company, National Association, or such other bank, trust company, financial institution, or other agency named in accordance with the provisions of subsection (g) of this Section (the "Paying Agent/Registrar"), books or records for the registration and transfer of the Certificates (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such transfers and registrations under such reasonable regulations as the Issuer and the Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such transfers and registrations as herein provided. The place of payment for the Certificates designated by the Paying Agent/Registrar shall be referred to herein as the "Designated Trust Office" of the Paying Agent/Registrar. It shall be the duty of the Paying Agent/Registrar to obtain from the registered owner and record in the Registration Books the address of the registered owner of each Certificate to which payments with respect to the Certificates shall be mailed, as herein provided. The Issuer or its designee shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar at its Designated Trust Office, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. Registration of each Certificate may be transferred in the Registration Books only upon presentation and surrender thereof to the Paying Agent/Registrar at its Designated Trust Office for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing the assignment of such Certificate, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and the right of such assignee or assignees to have such Certificate or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Certificate or any portion thereof, a new substitute certificate or certificates shall be issued in exchange therefor in the manner herein provided. As of the date this Ordinance is approved by the Issuer, the Designated Trust Office is the Dallas, Texas office of U.S. Bank Trust Company, National Association set forth in the "Paying Agent/Registrar Agreement" executed by the City and U.S. Bank Trust Company, National Association in connection with the sale and delivery of the Certificates.

(b) The entity in whose name any Certificate shall be registered in the Registration Books at any time shall be treated as the absolute owner thereof for all purposes of this Ordinance, whether such Certificate shall be overdue, and the City and the Paying Agent/Registrar shall not

be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Certificate shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Certificate to the extent of the sum or sums so paid.

(c) The City hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificates, and to act as its agent to exchange or replace Certificates, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Certificates, and of all exchanges thereof, and all replacements thereof, as provided in this Ordinance.

(d) Each Certificate may be exchanged for fully registered certificates in the manner set forth herein. Each Certificate issued and delivered pursuant to this Ordinance, to the extent of the unredeemed principal amount thereof, may, upon surrender thereof at the Designated Trust Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, at the option of the registered owner or such assignee or assignees, as appropriate, be exchanged for fully registered certificates, without interest coupons, in the form prescribed in the FORM OF CERTIFICATE, in an Authorized Denomination (subject to the requirement hereinafter stated that each substitute Certificate shall have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the principal amount of any Certificate or Certificates so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Certificate shall be redeemed prior to its scheduled maturity as provided herein, a substitute certificate or certificates having the same maturity date, bearing interest at the same rate, in an Authorized Denomination at the request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Certificate or portion thereof is assigned and transferred, each Certificate issued in exchange therefor shall have the same principal maturity date and bear interest at the same rate as the Certificate for which it is being exchanged. Each substitute Certificate shall bear a letter and/or number to distinguish it from each other Certificate. The Paying Agent/Registrar shall exchange or replace Certificates as provided herein, and each fully registered certificate or certificates delivered in exchange for or replacement of any Certificate or portion thereof as permitted or required by any provision of this Ordinance shall constitute one of the Certificates for all purposes of this Ordinance, and may again be exchanged or replaced. It is specifically provided, however, that any Certificate delivered in exchange for or replacement of another Certificate prior to the first scheduled interest payment date on the Certificates (as stated on the face thereof) shall be dated the same date as such Certificate, but each substitute Certificate so delivered on or after such first scheduled interest payment date shall be dated as of the interest payment date preceding the date on which such substitute Certificate is delivered, unless such substitute Certificate is delivered on an interest payment date, in which case it shall be dated as of such date of delivery; provided, however, that if at the time of delivery of any substitute Certificate the interest on the Certificate for which it is being exchanged has not been paid, then such substitute certificate shall be dated as of the date to which such interest has been paid in full. On each substitute Certificate issued in exchange for or replacement of any Certificate or Certificates issued under this Ordinance there shall be printed thereon a Paying Agent/Registrar's Authentication Certificate, in the form set forth in the FORM OF CERTIFICATE (the "Authentication Certificate"). An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such substitute Certificate, date such substitute Certificate in the manner set forth above, and manually sign and

date the Authentication Certificate, and no such substitute Certificate shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Certificates surrendered for exchange or replacement. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person so as to accomplish the foregoing exchange or replacement of any Certificate or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute certificates in the manner prescribed herein. Pursuant to Chapter 1201, Texas Government Code, the duty of exchange or replacement of any Certificates as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Certificates which originally were delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts. Neither the City nor the Paying Agent/Registrar shall be required (1) to issue, transfer, or exchange any Certificate during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Certificates and ending at the close of business on the day of such mailing, or (2) to transfer or exchange any Certificate so selected for redemption in whole when such redemption is scheduled to occur within thirty (30) calendar days.

(e) All Certificates issued in exchange for or replacement of any other Certificate or portion thereof (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Certificates to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be exchanged for other Certificates, (v) shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest on the Certificates shall be payable, all as provided, and in the manner required or indicated, in the FORM OF CERTIFICATE.

(f) The City shall pay the Paying Agent/Registrar's reasonable and customary fees and charges for making transfers of Certificates, but the registered owner of any Certificate requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The registered owner of any Certificate requesting any exchange shall pay the Paying Agent/Registrar's reasonable and standard or customary fees and charges for exchanging any such Certificate or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of exchange, except, however, that in the case of the exchange of an assigned and transferred Certificate or any portion thereof in any Authorized Denomination, and in the case of the exchange of the unredeemed portion of a Certificate which has been redeemed in part prior to maturity, as provided in this Ordinance, such fees and charges will be paid by the City. In addition, the City hereby covenants with the registered owners of the Certificates that it will pay the (i) reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on Certificates, when due, and (ii) fees and charges of the Paying Agent/Registrar for services with respect to the transfer or registration of Certificates solely to the extent above provided, and with respect to the exchange of Certificates solely to the extent above provided.

(g) The City covenants with the registered owners of the Certificates that at all times while the Certificates are outstanding the City will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Certificates under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than sixty (60) days written notice to the Paying Agent/Registrar.

In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the City covenants that it will promptly appoint a competent and legally qualified national or state banking institution which shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, and whose qualifications substantially are similar to the previous Paying Agent/Registrar to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificates, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Certificates, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(h) (i) In addition to the manner of providing notice of redemption of Certificates as set forth in this Ordinance, the Paying Agent/Registrar shall give notice of redemption of Certificates by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to the MSRB (as defined in Section 7 hereof). In addition, in the event of a redemption caused by an advance refunding of the Certificates, the Paying Agent/Registrar shall send a second notice of redemption to the persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the MSRB shall be sent so that they are received at least two days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of redemption to the owner of any Certificate who has not sent the Certificates in for redemption sixty (60) days after the redemption date.

(ii) Each redemption notice, whether required in the FORM OF CERTIFICATE or otherwise by this Ordinance, shall contain a description of the Certificates to be redeemed, including the complete name of the Certificates, the series, the date of issue, the interest rate, the maturity date, the CUSIP number, the amounts called for redemption, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Certificate may be redeemed, including a contact person and telephone number.

(iii) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Certificates shall include CUSIP numbers relating to each amount paid to such registered owner.

(i) If required by law, the City shall not execute the Paying Agent/Registrar Agreement unless the Paying Agent/Registrar has confirmed to the City Manager that it (A) has made disclosure filings to the Texas Ethics Commission in accordance with Section 2252.908, Texas Government Code, or that it is exempt from such disclosure filings under Section 2252.908(c)(4), Texas Government Code, (B) does not boycott Israel within the meaning and for the purposes of Chapter 2271, Texas Government Code, and (C) is not a listed company within the meaning and for the purposes of Sections 2252.153 and 2270.0201 of the Texas Government Code. If applicable, within thirty (30) days of receipt of the disclosure filings from the Paying

Agent/Registrar, the City will submit a copy of the disclosure filings with the Texas Ethics Commission.

Section 6. FORM OF CERTIFICATES. That the form of the Certificates, including the form of the Comptroller's Registration Certificate to accompany the Initial Certificate (as defined in Section 7) on the initial delivery thereof, the form of the Authentication Certificate and the form of Assignment to be printed on each of the Certificates initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially in the form as set forth in Exhibit A to this Ordinance, with such appropriate variations, omissions, or insertions as are permitted or required by this Ordinance. The printer of the Certificates is hereby authorized to print on the Certificates (i) the form of bond counsel's opinion relating to the Certificates, and (ii) an appropriate statement of insurance furnished by a municipal bond insurance company providing municipal bond insurance, if any, covering all or any part of the Certificates.

That the term "Available Revenues" shall have the meaning given said term in Section 8 hereof; the term "Business Day" means a day that is not a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Trust Office of the Paying Agent/Registrar is located are authorized by law or executive order to close; the term "Code" means the Internal Revenue Code of 1986; the term "Initial Certificate" means Certificate No. T-1 initially issued and delivered to the Purchaser pursuant to Section 22 of this Ordinance; the term "MSRB" means the Municipal Securities Rulemaking Board; the term "Rule" means SEC Rule 15c2-12, as amended from time to time; the term "SEC" means the United States Securities and Exchange Commission; the term "Surplus Revenues" means those revenues from the operation of the City's combined municipal waterworks and sewer system remaining after payment of all operation and maintenance expenses thereof and other obligations heretofore or hereafter incurred to which such revenues have been or shall be encumbered by a lien on and pledge of such revenues superior to the lien on and pledge of such revenues to the Certificates; and the term "Treasury Regulation" means all applicable temporary, proposed and final regulations and procedures promulgated under the Code or promulgated under the Internal Revenue Code of 1954, to the extent applicable to the Code.

Section 8. INTEREST AND SINKING FUND. That a special fund or account, to be designated the "City of Burleson, Texas Series 2023 Certificate of Obligation Interest and Sinking Fund" (the "Interest and Sinking Fund") is hereby created and shall be established and maintained by the Issuer. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the City, and shall be used only for paying the interest on and principal of the Certificates. All ad valorem taxes levied and collected for and on account of the Certificates shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any Certificate is outstanding and unpaid, the City Council shall compute and ascertain the rate and amount of ad valorem tax, based on the latest approved tax rolls of the Issuer, with full allowances being made for tax delinquencies and costs of tax collections, which will be sufficient to raise and produce the money required to pay the interest on the Certificates as such interest comes due, and to provide a sinking fund to pay the principal (including mandatory sinking fund redemption payments, if any) of the Certificates as such principal matures or comes due through operation of the mandatory sinking fund redemption, if any, but never less than 2% of the outstanding principal amount of the Certificates as a sinking fund each year. The rate and amount of ad valorem tax is hereby ordered to be levied against all taxable property in the City for each year while any Certificate is outstanding and unpaid, and the ad valorem tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes necessary to pay the interest on and principal of the Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit

prescribed by law. Notwithstanding the foregoing, if the City deposits or budgets to be deposited in the Interest and Sinking Fund any other revenues, income or resources, including, without limitation, Surplus Revenues (the "Available Revenues"), in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes which otherwise would have been required to be levied may be reduced to the extent and by the amount of the Available Revenues then on deposit or budgeted to be deposited in the Interest and Sinking Fund.

Section 9. REVENUES. That the Certificates are additionally secured by and shall be payable from the Surplus Revenues. The Surplus Revenues are pledged by the City pursuant to authority of Chapter 1502, Texas Government Code, specifically Section 1502.058 thereof. The City shall promptly deposit the Surplus Revenues upon their receipt to the credit of the Interest and Sinking Fund created pursuant to Section 8, to pay the principal and interest on the Certificates. The amount of Surplus Revenues pledged to the payment of the Certificates shall not exceed \$1,000.

Section 10. TRANSFER. That the City shall do any and all things necessary to accomplish the transfer of monies to the Interest and Sinking Fund of this issue in ample time to pay such items of principal and interest due on the Certificates.

Section 11. SECURITY FOR FUNDS. That the Interest and Sinking Fund created by this Ordinance shall be secured in the manner and to the fullest extent permitted or required by law for the security of public funds, and the Interest and Sinking Fund shall be used only for the purposes and in the manner permitted or required by this Ordinance.

Section 12. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES. (a) *Replacement Certificates*. That in the event any outstanding Certificate is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new certificate of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided.

(b) *Application for Replacement Certificates*. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Certificates shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Certificate, the applicant for a replacement certificate shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Certificate, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) *No Default Occurred*. Notwithstanding the foregoing provisions of this Section, in the event any such Certificate shall have matured, and no default has occurred which is then continuing in the payment of the principal of, premium, if any, or interest on the Certificate, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement certificate, provided security or indemnity is furnished as above provided in this Section.

(d) *Charge for Issuing Replacement Certificates*. Prior to the issuance of any replacement Certificate, the Paying Agent/Registrar shall charge the registered owner of such Certificate with

all legal, printing, and other expenses in connection therewith. Every replacement certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether the lost, stolen, or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) *Authority for Issuing Replacement Certificates.* In accordance with Chapter 1206, Texas Government Code, this Section of this Ordinance shall constitute authority for the issuance of any such replacement certificate without necessity of further action by the City Council of the City or any other body or person, and the duty of the replacement of such certificates is hereby authorized and imposed upon the Paying Agent/Registrar, subject to the conditions imposed by this Section 12 of this Ordinance, and the Paying Agent/Registrar shall authenticate and deliver such Certificates in the form and manner and with the effect, as provided in Section 5(d) of this Ordinance for Certificates issued in conversion and exchange of other Certificates.

Section 13. FEDERAL INCOME TAX MATTERS. That the City covenants to take such action as to ensure, or refrain from any action which would adversely affect, the treatment of the Certificates as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Certificates being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Certificates being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Certificates, other than investment property acquired with –

(1) proceeds of the Certificates invested for a reasonable temporary period, until such proceeds are needed for the purpose for which the Certificates are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Certificates;

(g) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of the Certificates or the proceeds of any prior bonds to pay debt services on another issue more than ninety (90) days after the issuance of the Certificates in contravention of section 149(d) of the Code (relating to advance refunding); and

(i) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal to 90 percent of the "Excess Earnings", within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than sixty (60) days after the Certificates have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

For purposes of the foregoing clauses (a) and (b) above, the Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Certificates, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Certificates, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the Mayor, the City Manager, any Assistant City Manager, and the Director of Finance to execute any documents, certificates or reports required by the Code, and to make

such elections on behalf of the City which may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates.

In order to facilitate compliance with clause (i) above, a "Rebate Fund" is hereby established by the City for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

The resolution adopted by the City Council on June 20, 2023, described in the preamble to this Ordinance was intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

Section 14. ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE PROJECT. That the Issuer covenants to account for the expenditure of proceeds from the sale of the Certificates and any investment earnings thereon to be used for the purposes described in Section 1 of this Ordinance (such purpose referred to herein and Section 15 hereof as a "Project") on its books and records by allocating proceeds to expenditures within eighteen (18) months of the later of the date that (a) the expenditure on a Project is made or (b) such Project is completed. The foregoing notwithstanding, the Issuer shall not expend such proceeds or investment earnings more than 60 days after the earlier of (a) the fifth anniversary of the date of delivery of the Certificates or (b) the date the Certificates are retired, unless the Issuer obtains an opinion of nationally-recognized bond counsel substantially to the effect that such expenditure will not adversely affect the tax-exempt status of the Certificates. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 15. DISPOSITION OF PROJECT. That the Issuer covenants that the property constituting a Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless the Issuer obtains an opinion of nationally-recognized bond counsel substantially to the effect that such sale or other disposition will not adversely affect the tax-exempt status of the Certificates. For purposes of this Section, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this Section, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 16. DEFAULT AND REMEDIES.

(a) *Events of Default.* That each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any Certificate when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the City, the failure to perform which materially, adversely affects the rights of the registered owners of the Certificates, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any registered owner to the City.

(b) *Remedies for Default.*

(i) Upon the happening of any Event of Default, then and in every case, any registered owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the City, or any official, officer or employee of the City in their official capacity, for the purpose of protecting and enforcing the rights of the registered owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the registered owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all registered owners of Certificates then outstanding.

(c) *Remedies Not Exclusive.*

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Certificate authorized under this Ordinance, such registered owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or members of the City or the City Council.

(iv) None of the members of the City Council, nor any other official or officer, agent, or employee of the City, shall be charged personally by the registered owners with any liability, or be held personally liable to the registered owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

Section 17. CUSTODY, APPROVAL, AND REGISTRATION OF CERTIFICATES. That the City Manager of the City or the designee thereof is hereby authorized to have control of the Certificates initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificates pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificates said Comptroller (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Certificates, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Registration Certificate.

Section 18. DTC REGISTRATION. That the Certificates initially shall be issued and delivered in such manner that no physical distribution of the Certificates will be made to the public, and The Depository Trust Company ("DTC"), New York, New York, initially will act as depository for the Certificates. DTC has represented that it is a limited purpose trust company incorporated under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered under Section 17A of the Securities Exchange Act of 1934, as amended, and the City accepts, but in no way verifies, such representations. The Certificates initially authorized by this Ordinance shall be delivered to and registered in the name of CEDE & CO., the nominee of DTC. It is expected that DTC will hold the Certificates on behalf of the Purchasers and their participants. So long as each Certificate is registered in the name of CEDE & CO., the Paying Agent/Registrar shall treat and deal with DTC the same in all respects as if it were the actual and beneficial owner thereof. It is expected that DTC will maintain a book-entry system which will identify ownership of the Certificates in Authorized Denominations, with transfers of ownership being effected on the records of DTC and its participants pursuant to rules and regulations established by them, and that the Certificates initially deposited with DTC shall be immobilized and not be further exchanged for substitute Certificates except as hereinafter provided. The City is not responsible or liable for any functions of DTC, will not be responsible for paying any fees or charges with respect to its services, will not be responsible or liable for maintaining, supervising, or reviewing the records of DTC or its participants, or protecting any interests or rights of the beneficial owners of the Certificates. It shall be the duty of the DTC Participants, as defined in the Official Statement herein approved, to make all arrangements with DTC to establish this book-entry system, the beneficial ownership of the Certificates, and the method of paying the fees and charges of DTC. The City does not represent nor does it in any way covenant that the initial book-entry system established with DTC will be maintained in the future. Notwithstanding the initial establishment of the foregoing book-entry system with DTC, if for any reason any of the originally delivered Certificates is duly filed with the Paying Agent/Registrar with proper request for transfer and substitution, as provided for in this Ordinance, substitute Certificates will be duly delivered as provided in this Ordinance, and there will be no assurance or representation that any book-entry system will be maintained for such Certificates. In connection with the initial establishment of the foregoing book-entry system with DTC, the City heretofore has executed a "Blanket Letter of Representations" prepared by DTC in order to implement the book-entry system described above.

Section 19. CONTINUING DISCLOSURE OBLIGATION. (a) *Annual Reports.* (i) That the City shall provide annually to the MSRB, within six months after the end of each fiscal year ending in or after 2023, financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by Section 22 of this Ordinance, being the information described in Exhibit B hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit B hereto, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the City commissions an audit of such statements and the audit is completed within twelve months after the end of each fiscal year ending in or after 2023. If the audit of such financial statements is not complete within such twelve month period, then the City shall provide notice that the audited financial statements are not available and provide unaudited financial statements by such twelve month period, and shall provide audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such statements become available.

(ii) If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required

to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

(b) *Disclosure Event Notices.* The City shall notify the MSRB, in a timely manner not in excess of ten Business Days after the occurrence of the event, of any of the following events with respect to the Certificates:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Certificates, or other events affecting the tax status of the Certificates;
7. Modifications to rights of holders of the Certificates, if material;
8. Certificate calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Certificates, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the City;
13. The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material;
15. Incurrence of a Financial Obligation of the Obligated Person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Obligated Person, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar event under the terms of a Financial Obligation of the Obligated Person, and which reflect financial difficulties.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

As used in clause 12 above, the phrase "bankruptcy, insolvency, receivership or similar event" means the appointment of a receiver, fiscal agent or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets of the City, or if jurisdiction has been assumed by leaving the City Council and official or

officers of the City in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

As used in clauses 15 and 16 above, the term "Financial Obligation" means: (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii), however, the term Financial Obligation shall not include Municipal Securities as to which a final official statement has been provided to the MSRB consistent with the Rule; the term "Municipal Securities" means securities which are direct obligations of, or obligations guaranteed as to principal or interest by, a state or any political subdivision thereof, or any agency or instrumentality of a state or any political subdivision thereof, or any municipal corporate instrumentality of one or more states and any other Municipal Securities described by Section 3(a)(29) of the Securities Exchange Act of 1934, as the same may be amended from time to time; and the term "Obligated Person" means the City.

(c) *Limitations, Disclaimers, and Amendments.* (i) The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Certificates within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes Certificates no longer to be outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under the Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(v) Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City agrees to undertake such obligation in accordance with the Rule as amended.

(vi) The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (A) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Certificates consent to such amendment or (B) a person that is unaffiliated with the City (such as nationally-recognized bond counsel) determines that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Certificates. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates.

Section 20. DEFEASANCE. (a) *Deemed Paid*. That any Certificate and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsection (e) of this Section, when payment of the principal of such Certificate, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Certificates shall have become due and payable. At such time as a Certificate shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes or revenues herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Certificates that is made in conjunction with the payment arrangements specified in subsection 20(a)(i) or (ii) shall not be irrevocable, provided that in the proceedings providing for such payment arrangements, the Issuer: (1) expressly reserves the right to call the Defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Certificates immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) *Investment in Defeasance Securities*. Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the City be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance

Securities received by the Paying Agent/Registrar that is not required for the payment of the Certificates and interest thereon, with respect to which such money has been so deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Certificates may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) above. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Securities, with respect to which such money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City.

(c) *Selection of Defeased Certificates.* In the event that the City elects to defease less than all of the principal amount of Certificates of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Certificates by such random method as it deems fair and appropriate.

(d) *Defeasance Securities.* The term "Defeasance Securities" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the financial arrangements are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Certificates under the then applicable laws of the State of Texas.

(e) *Continuing Duty of Paying Agent/Registrar.* Until all Defeased Certificates shall become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the City shall make proper arrangements to provide and pay for such services.

Section 21. AMENDMENTS. The City hereby reserves the right to amend this Ordinance subject to the following terms and conditions.

(a) *Amendments Not Requiring Consent.* The City may from time to time, without the consent of any holder of the Certificates, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (1) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interest of the holders of the Certificates, (2) grant additional rights or security for the benefit of the holders of the Certificates, (3) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interest of the holders of the Certificates, (4) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (5) make such other provisions in regard to matters or questions arising under this Ordinance that are not inconsistent with the provisions hereof and which, in the opinion of nationally-recognized bond counsel selected by the City, do not materially adversely affect the interests of the holders of the Certificates.

(b) *Amendments With Consent.* Except as provided in paragraph (a) above, the holders of the Certificates aggregating in principal amount a majority of the aggregate principal amount of then outstanding Certificates that are subject to a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the City; provided, however, that without the consent of 100% in aggregate principal amount of the Certificates then outstanding, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Certificates so as to:

- (1) Make any change in the maturity of any of the outstanding Certificates,
- (2) Reduce the rate of interest borne by any of the outstanding Certificates,
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Certificates,
- (4) Modify the terms of payment of principal of, redemption premium, if any, or interest on the outstanding Certificates, or imposing any condition with respect to such payment, or
- (5) Change the minimum percentage of the principal amount of the Certificates necessary for consent to such amendment.

(c) *Notice.* If at any time the City shall desire to amend this Ordinance, the City shall send by United States mail, first-class, postage prepaid, to each registered owner of the affected Certificates a notice of the proposed amendment and cause a copy of the proposed amendment to be published at least once in a financial newspaper or journal of general circulation in The City of New York, New York or in the State of Texas. Such published notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Paying Agent/Registrar for inspection by all owners of Certificates.

(d) *Receipt of Consents.* Whenever at any time within one year from the date of the first publication of said notice or other service of written notice of the proposed amendment the City shall receive an instrument or instruments executed by all of the owners or the owners of at least a majority in aggregate principal amount of Certificates, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the City may adopt the amendatory ordinance in substantially the same form.

(e) *Effect of Amendments.* Upon the adoption by the City of any ordinance to amend this Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be amended in accordance with the amendatory ordinance, and the respective rights, duties, and obligations of the City and all the owners of then outstanding Certificates and all future Certificates shall thereafter be determined, exercised, and enforced under this Ordinance, as amended.

(f) *Consent Irrevocable.* Any consent given by any owner of Certificates pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Certificates during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by filing notice thereof with the Paying Agent/Registrar and the City, but such revocation shall not be effective if the owners of a majority

in aggregate principal amount of Certificates, prior to the attempted revocation, consented to and approved the amendment.

(g) *Ownership.* For the purpose of establishing ownership of the Certificates, the City shall rely solely upon the registration of the ownership of such Certificates on the Registration Books kept by the Paying Agent/Registrar.

Section 22. SALE OF CERTIFICATES. (a) The Certificates are hereby sold and shall be delivered to [_____] (the “Underwriter”), for the purchase price of \$[_____] (representing the par amount of the Certificates of \$[_____] plus net aggregate original issue premium of \$[_____] (premium to be applied as set forth in Section 24), less an underwriting discount of \$[_____]), pursuant to the terms and provisions of an Official Notice of Sale and Official Bid Form, in substantially the form presented at this meeting, which the Mayor is hereby authorized to execute and deliver. The Initial Certificate shall be delivered to the Underwriter, and the Underwriter shall have the right to exchange the Initial Certificate as provided herein without cost. The Initial Certificate shall be registered in the name of the Underwriter or its designee.

(b) It is hereby officially found, determined and declared that the Certificates have been sold in a public sale to the Underwriter, after receiving sealed bids pursuant to an Official Notice of Sale and Official Bid Form. Before being awarded the winning bid, the Underwriter certified to the City in the Official Bid Form that either it filed the disclosure form required under Section 2252.908, Texas Government Code, or that it is exempt from the disclosure form filing requirements of the Texas Ethics Commission pursuant to Section 2252.908(c)(4), Texas Government Code. The sale of the Certificates to the Underwriter was on terms that are most advantageous to the City reasonably obtained and, upon the advice of the City’s financial advisor, is in the best interests of the City.

(c) The Issuer hereby approves the form and content of the Official Statement relating to the Certificates and any addenda, supplement or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Certificates by the Underwriter in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The distribution and use of the Preliminary Official Statement prior to the date hereof is hereby ratified and confirmed.

Section 23. FURTHER PROCEDURES. That the Mayor, the City Manager, any Assistant City Manager, the Director of Finance, the City Secretary, the Deputy City Secretary, and all other officers, employees, and agents of the City, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, and the sale and delivery of the Certificates and fixing all details in connection therewith.

Section 24. USE OF PROCEEDS. That the proceeds from the sale of the Certificates may be used for the purposes described in Section 1 of this Ordinance, in the manner described in the letter of instructions executed by the City or on behalf of the City by its financial advisor. The foregoing notwithstanding, proceeds representing accrued interest on the Certificates shall be deposited to the credit of the Interest and Sinking Fund, and proceeds representing premium on the Certificates shall be used in a manner consistent with the provisions of Section 1201.042(d), Texas Government Code. The sum of the principal amount of the Certificates and the premium

paid by the Purchaser to fund the improvements described in Section 1 of this Ordinance equals \$[_____], and does not exceed the maximum amount of Certificates stated in the notice of intent to issue the Certificates (\$[_____]) that was approved and notice given in the manner described in the preamble to this Ordinance. Any amounts remaining after completion of the improvements described in Section 1 hereof shall be transferred FIRST to the Rebate Fund, to the extent required by Section 13 hereof and as further described in Section 24 hereof, and THEREAFTER to the Interest and Sinking Fund.

Section 25. INTEREST EARNINGS. That the interest earnings derived from the investment of proceeds from the sale of the Certificates may be used along with other proceeds for the construction of the permanent improvements set forth in Section 1 hereof for which the Certificates are issued; provided, that after completion of such permanent improvements, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on proceeds which are required to be rebated to the United States of America pursuant to this Ordinance hereof in order to prevent the Certificates from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

Section 26. WRITTEN PROCEDURES. That unless superseded by another action of the City, to ensure compliance with the covenants contained in Section 13 hereof regarding private business use, remedial actions, arbitrage and rebate, the written procedures adopted by the City in the ordinance authorizing the issuance of City of Burleson, Texas Waterworks and Sewer System Revenue Bonds, Series 2012, adopted by the City Council on April 16, 2012, apply to the Certificates.

Section 27. PREAMBLE. That the preamble to this Ordinance is incorporated by reference and made a part hereof for all purposes.

Section 28. MISCELLANEOUS PROVISIONS. (a) *Titles Not Restrictive*. That the titles assigned to the various sections of this Ordinance are for convenience only and shall not be considered restrictive of the subject matter of any section or of any part of this Ordinance.

(b) *Rules of Construction*. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Ordinance as a whole and not to any particular section or other subdivision. Except where the context otherwise requires, terms defined in this Ordinance to impart the singular number shall be considered to include the plural number and vice versa. References to any named person means that party and its successors and assigns. References to an officer or designated position (e.g., City Manager) include any person acting in the capacity of such officer or designated position, whether on an acting, interim or permanent basis. References to any constitutional, statutory or regulatory provision means such provision as it exists on the date this Ordinance is adopted by the City and any future amendments thereto or successor provisions thereof. Any reference to "FORM OF CERTIFICATE" shall refer to the form of the Certificates set forth in Exhibit A to this Ordinance. Any reference to the payment of principal in this Ordinance shall be deemed to include the payment of any mandatory sinking fund redemption payments as may be described herein.

(c) *Inconsistent Provisions*. All ordinances, orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed and declared to be inapplicable, and the provisions of this Ordinance shall be and remain controlling as to the matters prescribed herein.

(d) *Severability*. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance shall nevertheless be valid and the City hereby declares that this Ordinance would have been enacted without such invalid word, phrase, clause, paragraph, sentence, part, portion, or provisions.

(e) *Governing Law*. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas.

(f) *Open Meeting*. The City officially finds and determines that the meeting at which this Ordinance is adopted was open to the public; and that public notice of the time, place, and purpose of such meeting was given, all as required by Chapter 551, Texas Government Code.

(g) *Application of Chapter 1208, Government Code*. Chapter 1208, Texas Government Code, applies to the issuance of the Certificates and the pledge of ad valorem taxes and the Surplus Revenues granted by the City under Sections 8 and 9, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the ad valorem taxes and Surplus Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

(h) *Payment of Attorney General Fee Authorized*. The City Council hereby authorizes the payment of the fee of the Office of the Attorney General of the State of Texas for the examination of the proceedings relating to the issuance of the Certificates, in the amount determined in accordance with the provisions of Section 1202.004, Texas Government Code.

(i) *Immediate Effect*. In accordance with the provisions of Section 1201.028, Texas Government Code, this Ordinance shall be effective immediately upon its adoption by the City Council.

THE PRINCIPAL OF AND INTEREST ON this Certificate are payable in lawful money of the United States of America, without exchange or collection charges. At maturity or redemption prior to maturity, the principal of this Certificate shall be paid to the registered owner hereof upon presentation and surrender of this Certificate at the designated corporate trust office in Dallas, Texas (the "Designated Trust Office") of U.S. Bank Trust Company, National Association, which is the "Paying Agent/Registrar" for this Certificate. Any accrued interest due at maturity as provided herein shall be paid to the registered owner upon presentation and surrender of this Certificate for payment at the Designated Trust Office of the Paying Agent/Registrar. The

Issuer covenants with the registered owner of this Certificate that on or before each principal and interest payment date for this Certificate it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Ordinance, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Certificates, when due.

IN THE EVENT OF NON-PAYMENT of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest ("Special Payment Date", which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner of a Certificate appearing on the Registration Books kept by the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

IF THE DATE for the payment of the principal of or interest on this Certificate shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Trust Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS CERTIFICATE, dated the Date of Delivery specified above, is one of a Series of Certificates authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$[____], for the purpose of paying contractual obligations to be incurred by the City, to-wit, the construction of improvements described in the Ordinance, and the payment of costs for professional services as described in the Ordinance, including the payment of fiscal, engineering and legal fees incurred in connection therewith.

ON MARCH 1, [____], or on any date thereafter, the Certificates of this Series maturing on March 1, [____] and thereafter may be redeemed prior to their scheduled maturities, at the option of the Issuer, in whole, or in part, at par and accrued interest to the date fixed for redemption. The years of maturity of the Certificates called for redemption at the option of the City prior to their stated maturity shall be selected by the City. The Certificates or portions thereof redeemed within a maturity shall be selected by lot or other method by the Paying Agent/Registrar; *provided*, that during any period in which ownership of the Certificates is determined only by a book entry at a securities depository for the Certificates, if fewer than all of the Certificates of the same maturity and bearing the same interest rate are to be redeemed, the particular Certificates of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the Issuer and the securities depository.

A WRITTEN NOTICE OF redemption shall be given to the registered owner of each Certificate or a portion thereof being called for redemption not more than 60 days nor less than 30 days prior to the date fixed for such redemption by depositing such notice in the United States mail, first-class postage prepaid, addressed to each such registered owner at his address shown on the Registration Books of the Paying Agent/Registrar. If such notice of redemption is mailed, and if due provision for such payment is made, all as provided above, this Certificate, or the portion hereof which is to be so redeemed, thereby automatically shall be redeemed prior to its scheduled

maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent/Registrar out of the funds provided for such payment. The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of this Certificate or any portion hereof. If a portion of any Certificate shall be redeemed a substitute Certificate or Certificates having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Ordinance.

THE FOREGOING PARAGRAPH NOTWITHSTANDING, with respect to any optional redemption of the Certificates, unless certain prerequisites to such optional redemption required by the Ordinance have been met and money sufficient to pay the principal of, premium, if any, and interest on the Certificates to be redeemed will have been received by the Paying Agent/Registrar prior to giving such notice, such notice may state that the optional redemption will, at the option of the City, be conditional upon the satisfaction of such prerequisites and receipt of such money by the Paying Agent/Registrar on or prior to the date fixed for such redemption or upon any prerequisite set forth in the notice of redemption. If a notice of conditional redemption is given and such prerequisites to the redemption are not satisfied, such notice will be of no force and effect, the City will not redeem such Certificates and the Paying Agent/Registrar will give notice in the manner in which the notice of redemption was given, to the effect that such Certificates will not be redeemed.

ALL CERTIFICATES OF THIS SERIES are issuable solely as fully registered certificates, without interest coupons, in the principal denomination of any integral multiple of \$5,000. As provided in the Ordinance, this Certificate may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, and exchanged for a like aggregate principal amount of fully registered certificates, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, and bearing interest at the same rate, in any principal denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Certificate to the Paying Agent/Registrar at its Designated Trust Office for cancellation, all in accordance with the form and procedures set forth in the Ordinance. Among other requirements for such assignment and transfer, this Certificate must be presented and surrendered to the Paying Agent/Registrar at its Designated Trust Office, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Certificate or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Certificate or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Certificate may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Certificate or any portion or portions hereof from time to time by the registered owner. The foregoing notwithstanding, in the case of the exchange of an assigned and transferred Certificate or Certificates or any portion or portions thereof, such fees and charges of the Paying Agent/Registrar will be paid by the Issuer. The one requesting such exchange shall pay the Paying Agent/Registrar's reasonable standard or customary fees and charges for exchanging any Certificate or portion thereof. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such

assignment, transfer, or exchange as a condition precedent to the exercise of such privilege. In any circumstance, neither the Issuer nor the Paying Agent/Registrar shall be required (1) to make any transfer or exchange during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Certificates and ending at the close of business on the day of such mailing, or (2) to transfer or exchange any Certificates so selected for redemption when such redemption is scheduled to occur within 30 calendar days.

WHENEVER the beneficial ownership of this Certificate is determined by a book entry at a securities depository for the Certificates, the foregoing requirements of holding, delivering or transferring this Certificate shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Certificates is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Certificates.

IT IS HEREBY certified, recited and covenanted that this Certificate has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Certificate have been performed, existed, and been done in accordance with law; that this Certificate is a direct obligation of said Issuer, issued on the full faith and credit thereof; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Certificate, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said Issuer, in the manner provided in the Ordinance, and have been pledged for such payment, within the limit prescribed by law; and that a limited pledge (not to exceed \$1,000) of the surplus revenues from the operation of the City's combined municipal waterworks and sewer system remaining after payment of all operation and maintenance expenses thereof and any other obligations heretofore or hereafter incurred to which such revenues have been or shall be encumbered by a lien on and pledge of such revenues superior to the lien on and pledge of such revenues to the Certificates, have been pledged as additional security for the Certificates.

BY BECOMING the registered owner of this Certificate, the registered owner thereby acknowledges all of the terms and provisions of the Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Ordinance is duly recorded and available for inspection in the official minutes and records of the Issuer, and agrees that the terms and provisions of this Certificate and the Ordinance constitute a contract between each registered owner hereof and the Issuer.

IN WITNESS WHEREOF, this Certificate has been signed with the manual or facsimile signature of the Mayor of the City, attested by the manual or facsimile signature of the City Secretary, and the official seal of the Issuer has been duly affixed to, or impressed, or placed in facsimile, on this Certificate.
