

To whom it may concern,

We would like to propose a new cabinet for the existing pole sign which is a non-conforming pole sign.

We are asking this city to allow a new revised cabinet to match with the new remodel of our restaurant. It is a retro sign because we have chosen to remain a business in Burleson since the 1970's and would like the sign to match that era of time. This cabinet will be a smaller cabinet than the existing cabinet but will have a more eye appealing appearance than the current cabinet.

Thank you for your consideration in this matter.

Sincerely,

Dianne Moriarty
