

Item Brief

Meeting Date

September 24, 2024

Agenda Item

Discuss and consider action: Approval and authorization to purchase a mini excavator: T. Mercer

Information

To allow the Parks Department, Street Department, and Water/Wastewater Department crews to access smaller, confined project areas and leave a smaller excavation footprint resulting in less cleanup and patching, staff is recommending the purchase of a 2024 JOHN DEERE 50P Mini Excavator with a hammer attachment. In addition to facilitating the work of City crews, the mini excavator will reduce required equipment rentals. This item is included in the approved 2024-2025 General Fund Capital Projects Budget. The purchase order is attached for the Council's review, and the vendor, RDO Equipment Company, is a member of the BuyBoard Purchasing Cooperative.

Fiscal Impact

The total cost of the 2024 JOHN DEERE 50P Mini Excavator is one hundred one thousand nine hundred seventy-eight and 36/100 dollars (\$101,978.36).

Recommendation

Staff recommends the approval of the purchase of a 2024 JOHN DEERE 50P Mini Excavator at a cost of \$101,978.36.
