Information

The subject property is a half-acre lot located on the north side of West Highway 29, along Wild Sage Drive, approximately a quarter mile before the lighted intersection at Hoover Valley Drive and a quarter mile past the Hill Country Motorheads motorcycle museum. At present, there is an existing site-built residential structure on the property, originally constructed around 1960. The applicant is requesting a zoning change to allow for the removal of the existing residence and the installation of a manufactured home on the site. The property is bisected by the city limits line; the location of the home is within the city limits.

The proposed zoning district permits manufactured homes with a minimum living area of 1,100 square feet on lots of at least 7,600 square feet. Each lot must have an average depth of no less than 120 feet and a minimum width of 90 feet. The subject lot does meet all these requirements. Additionally, manufactured homes must be securely anchored prior to the issuance of a certificate of occupancy and must be fully skirted within 90 days of installation.

The property is not currently served by City of Burnet utilities. Electrical service is provided by Pedernales Electric Cooperative (PEC), while water and wastewater services are handled through a private well and septic system. Access to the site is via a privately maintained road. This property is not located within a special flood hazard area.

Staff has discussed the proposed zoning change internally with all other departments; there are no objections from the City of Burnet Fire Chief and Police Chief to the requested change in zoning.

Properties adjacent to the subject property are zoned as follows:

	North	South	East	West
Zoning	ETJ	"C-2"	"R-1"	"C-3"
FLUM	Residential	Commercial	Residential	Commercial
Land Use	Residential	Residential	Residential	Undeveloped

Public Notification

Written notices were mailed to four (4) surrounding property owners within 200 feet of the subject property. There have been zero responses in favor and zero responses in opposition.

P&Z Report

Planning and Zoning will meet on Monday, July 7th; staff will present P&Z's recommendation at the City Council meeting.
