CONSIDERATION ITEMS:

2.1) Discuss and Consider Action: Direction to staff regarding the possible construction of pickleball courts.

City Manager David Vaughn opened the workshop and stated that City staff is seeking direction from the Council regarding the construction of pickleball courts. Mr. Vaughn presented various options for Council consideration, including the number of courts, indoor versus outdoor facilities, and potential locations. He noted that fully enclosed courts would involve significantly higher costs and would require staffing, while outdoor courts would be more economical.

After discussion, the Council determined that Haley Nelson Park is the most suitable location for the pickleball courts. Council expressed a preference for a covered court option, rather than a fully enclosed facility, due to cost and staffing considerations.

Per Council's direction, Mr. Vaughn will obtain firm cost estimates and present two size options for the metal building at a future Council meeting for consideration.
