# Street Dept.

Pavement Prep:  
Road Sealing  
9.8 Miles  
Burnet-Marble only 5 Mil

# Street Dept.

## Pavement Prep: Patching

# Water/WW Dept.

Math Problem:

- Fence in the front Yard
- +
- Overgrown trees in Utility Easement
- =
- Sewer Replacement

Sewer Relocate  
Live Oak

## Fire Hydrant Replacements

# Water/WW Dept.

If you hit a Fire Hydrant twice;  
you may hit bollards the third  
time

- This FH was hit on Del Springs
- Considerable Water Loss

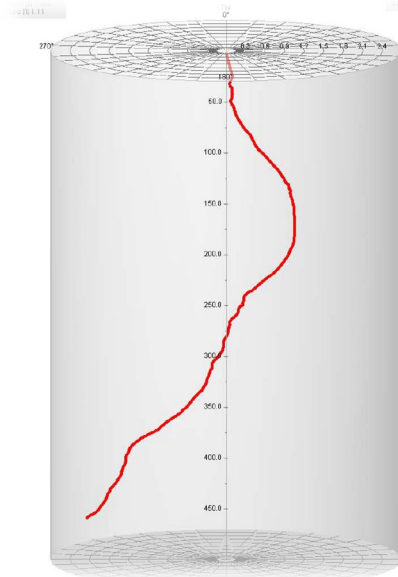

# Water/WW Dept.

New Pump: Hoped 180' but ended up at 150'.

- Producing 850 gallons per minute.
- Need 450 gallons per minute this season

Cheatham Well

# Water/WW Dept.

## Cheatham Well Piping

# Electric Dept.

Over 400' or underground electric

Hotel Electric

# Electric Dept.

Over 850' of Overhead Electric  
Relocated Underground

- Spectrum
- Vyve
- Frontier
- ATT (911)

City Hall Electric

# Electric Dept.

What goes up

Must come down

Christmas Lights

# Parks Dept.

Wallace Riddell:  
New Bathroom  
Ball Fields

## Meet Matt

# Parks Dept.

### Assistant Parks Superintendent

- Restroom facilities have been upgraded.
- Ball fields are in great shape.
- Little League is so grateful that Matt will be throwing the first pitch of the season.

Matt, a true modern-day cowboy, has a passion for ranching.

A big thank you to Matt and the Parks Crew!
