  - **February 15–16:** 17 of 214 golfers (7.9%)

## Resident Discounts

- Based on this data, a proposed \$5.00 discount for Burnet residents on 18-hole green fee (\$2.00 for 9-hole green fee)- similar to current discounts for seniors, juniors, active military, and first responders- would result in an estimated annual revenue loss of approximately \$4,000.
- Staff recommends implementing the resident discount and, in alignment with current practice, formally stating in the ordinance that discounts may not be combined.
