

## Item Brief

### **Meeting Date**

February 24, 2026

### **Agenda Item**

Discuss and consider action: Resolution No. R2026-11: D. Vaughn

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BURNET, TEXAS, AUTHORIZING AND APPROVING THE CREATION OF AND JOINING THE “BURNET COUNTY HIGHLAND LAKES SUB-REGIONAL PLANNING COMMISSION” (BCHL-SRPC); AND AUTHORIZING COORDINATION WITH OTHER COUNTIES, MUNICIPALITIES, AND OTHER GOVERNMENTAL UNITS

### **Information**

Chapter 391 of the Texas Local Government Code authorizes counties and municipalities to establish sub-regional planning commissions to coordinate planning efforts across jurisdictional boundaries.

The proposed resolution authorizes the City of Burnet to participate in the Burnet County Highland Lakes Sub-Regional Planning Commission (BCHL-SRPC). The purpose of the commission is to facilitate regional coordination on planning matters affecting participating governmental entities, including:

- Transportation systems and infrastructure improvements
- Streets, utilities, and essential public facilities
- Land use and economic development coordination
- Preservation of historical and cultural resources
- Protection of public health, safety, and welfare
- Efficient and economical use of public funds
- Coordination with state and federal agencies

Participation in the BCHL SRPC will allow the City to collaborate with Burnet County and other governmental units on shared regional planning issues while retaining full local authority within the City’s corporate boundaries.

The resolution authorizes the City Manager to take actions reasonably necessary to facilitate participation and includes the required Open Meetings finding.

### **Fiscal Impact**

There is no immediate fiscal impact associated with adoption of this resolution. Any future financial commitments would require separate Council approval.

**Recommendation**

Staff recommends approval of Resolution No. R2026-11 as presented.
