HAZARD MITIGATION GRANT PROGRAM- CITY OF BURNET PORTABLE GENERATORS PROJECT

SUB-GRANT AWARD ACCEPTANCE

Discuss and consider action: Resolution No. R2026-26: A.
Feild

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BURNET, TEXAS, ACCEPTING A SUBGRANT AWARD UNDER THE HAZARD MITIGATION GRANT PROGRAM (HMGP), DR-4705-0013, AND AUTHORIZING THE CITY MANAGER TO EXECUTE ASSOCIATED DOCUMENTS ON BEHALF OF THE CITY

Project Overview

- **Grant Name:** HMGP DR-4705-0013
- **Project Focus:** Purchasing of two portable generators to serve nine critical facilities (one water well and eight lift stations), along with electrical upgrades, quick connections, transfer switches, and protective fencing to enhance community resilience and emergency preparedness.
- **Goal:** Enhance community resilience through backup power solutions, to reduce future disaster risks and improve public safety.

Resolution Overview

- **Resolution Purpose:** Accept a sub-grant award for the Hazard Mitigation Grant Program (HMGP), DR-4705-0013, in the amount of \$751,200.00
- **Financial Impact:**
 - This is a reimbursable grant with a 75/25 federal-to-local match
 - The total project cost is \$751,200.00
 - FEMA will contribute \$563,400.00 through the Hazard Mitigation Grant Program (HMGP), FEMA-4705-DR-TX
 - The City of Burnet will provide a non-federal match of \$187,800.00, which is budgeted in the Water/Wastewater Capital Fund
 - FEMA has also approved \$37,500.00 in Subrecipient Management Costs to be fully funded at a 100% federal cost share
