Information

The subject property is located on the east side of South Main Street, just south of the intersection of South Main Street and East League Street (Exhibit A – Location). The property is currently zoned Single-Family Residential – District “R-1” and contains a single-family home constructed sometime in 1915.

The applicant is requesting to rezone the property to Neighborhood Commercial – District “NC” to allow for the redevelopment of the existing home into a salon (Exhibit B – Application and Letter of Intent). The applicant proposes to maintain the residential appearance of the structure, with minor exterior repairs, while remodeling the interior to accommodate the proposed use.

Surrounding Zoning and Future Land Use

	North	South	East	West
Zoning	“R-1”	“R-1”	“R-1”	“C-1”
FLUM	Residential	Residential	Residential	Commercial

Land Use	Undeveloped	Single-family home	Single-family home	Commercial
-----------------	-------------	--------------------	--------------------	------------

The Future Land Use Map designates the subject property as Residential. While the requested Neighborhood Commercial zoning is not strictly consistent with this designation, the district allows for residential uses and is intended to serve as a transitional zone between residential and commercial areas. Given that the applicant proposes to maintain the residential character of the structure, the request is generally compatible with the surrounding area.

Zoning District Overview

Neighborhood Commercial allows for a variety of low-intensity commercial uses intended to serve as a transition between residential areas and more intensive commercial districts. Permitted uses are generally compatible with and designed to aesthetically blend with the surrounding residential character.

Permitted uses include:

- Accountants
- Barber or Beauty Salons
- Day care homes with 12 or fewer children
- Doctor or Dental Offices
- Small Insurance Offices
- Lawyer Offices
- Real Estate Offices
- Single-family Dwellings

Properties zoned District “NC” are subject to the following conditions and limitations:

- Business activities are conducted primarily within an enclosed building
- Yards and outdoor areas are not to be utilized to display, sell vehicles, equipment, containers or waste material
- Must have screened dumpster areas
- Commercial uses are not to be objectionable because of odor, excessive light, smoke, dust, noise, vibration or similar nuisances; and that, excluding that caused by customer and employee vehicles, such odors, smoke, dust, noise or vibration be generally contained within the property boundaries.

The proposed salon is required to provide a minimum of one (1) parking space per 250 square feet of building area. Based on the existing structure size of approximately 1,350 square feet, a total of six (6) parking spaces is required.

The property currently contains an asphalt parking area capable of accommodating six (6) parking spaces; therefore, no additional impervious cover is required.

Utilities

The property is currently served by City water, wastewater, and electric utilities. The applicant will be responsible for ensuring that all utility services are adequate to meet the demands of the proposed use.

Public Notification

Written notices were mailed to 21 surrounding property owners within 200 feet of the subject property. There have been zero responses in favor and zero responses in opposition.

P&Z Report

Planning and Zoning met on Monday, April 6th and did recommend approval of Ordinance 2026-10 as presented.

Letter of Request

The owners of Iron Star Salon respectfully request that the property located at 407 S. Main Street be rezoned from Residential R-1 to Neighborhood Commercial.

Iron Star Salon has proudly served the Burnet community for 25 years at our current location, 308 S. Main Street. For more than two decades, we have rented that property from the late George Hehr and his wife, Sharon. In December 2025, Mrs. Hehr informed us of her intention to sell the property and gave us six months to secure a new location. With Burnet's rental market currently limited, finding a suitable space that would allow us to continue operating within the community we serve proved to be extremely challenging.

Our salon is home to four stylists, all born and raised in Burnet County. We are small business owners, mothers, neighbors, and active members of this community. Our livelihoods depend on serving our long-standing clients, and we are equally committed to welcoming the many new residents moving into our area. Remaining in Burnet is not only important for our business, it is important for our families and for the clients who have supported us for decades.

The property at 407 S. Main Street was purchased by J&L Builders and generously offered to us as a potential new home for Iron Star Salon. Johnny Ramirez and his crew have been working diligently to restore and thoughtfully renovate the structure, which was originally built in 1915 and required substantial interior and exterior improvements. Their goal is to create a clean, safe, and modern salon environment while preserving the character and integrity of the historic home.

The completed project will feature a clean white and black exterior, professional signage, and attractive landscaping that will enhance the overall curb appeal of the property. The site already includes a driveway accommodating at least six vehicles, in addition to available street parking. Walkways and entrances are being upgraded to ensure full ADA compliance and safe access for all clients.

Importantly, this location sits directly across the street from two existing businesses that were once residential properties and have successfully transitioned to commercial use. Rezoning this property to Neighborhood Commercial would be consistent with the evolving character of this portion of Main Street while maintaining the charm and appearance of the surrounding area.

We are not seeking to introduce heavy commercial activity, but rather to continue operating a long-established, low-impact, appointment-based business that has been part of

Burnet's fabric for a quarter of a century. Approving this request would allow a locally owned small business to remain in the community it has faithfully served for 25 years.

We respectfully ask for your consideration and support in rezoning 407 S. Main Street to Neighborhood Commercial so that Iron Star Salon may continue to serve Burnet for many years to come.
