Information

The subject property is an undeveloped property located at the northwest corner of North Water Street (Highway 281) and the southern end of Fourth Street. The current Future Land Use Map (FLUM) designation for the property is Residential. On July 8, City Council approved the purchase of 1404 N. Water Street. The purpose of this acquisition is to support the development of a proposed pedestrian bridge. Now that the City owns the property, it is appropriate for both the FLUM and zoning map to be updated to reflect a Governmental land use designation.

The approval of the Future Land Use Plan amendment is required before the associated Zoning Map amendment can be considered.

Properties adjacent to the subject property are zoned as follows:

	North	South	East	West
Zoning	R-1	R-1	C-1/R-1	R-1
FLUM	Commercial	Commercial	Commercial	Commercial
Land Use	Residential	Residential	Residential	Undeveloped

Public Notification

Written notices were mailed to 15 surrounding property owners within 200 feet of the subject property. There have been zero responses in favor and zero responses in opposition.

P&Z Report

Planning and Zoning will meet on Monday, October 6th; staff will present P&Z's recommendation at the City Council meeting.

Recommendation

Open the public hearing.
