Hi Sarah,
Here is a comment about including the 26 acres in the housing plan for density considerations.
Thanks,
Ellen

Hi Ellen,
I concur with Randal. The way our current downtown and the downtown into the future will truly thrive is with more close in housing and thoughtful mixed use and physical amenities that bring the community together. Let's show how this can be done not just well, but the best possible! On both the 27 acres (soon hopefully!) and the main campus when able. We know our town and our Main Street very well and this is what we're asking to have considered. Thank you.

The attached letter provides follow-up and a specific recommendation on the Housing Action Plan recognizing downtown and decommissioned parts of the Camas Mill as the central focus of housing policy versus the current approach pushing it into neighborhoods.

I would also ask this be discussed at next weeks virtual town hall.

Thank you for your heroics in keeping Camas moving forward.
