

RESOLUTION NO. 22-007

A RESOLUTION approving the use of American Rescue Plan Act State and Local Fiscal Recovery Funds using the Standard Allowance Protocol for City Government Services.

WHEREAS, the City of Camas will receive two equal tranches of funding through the American Rescue Plan Act (ARPA) under the State and Local Fiscal Recovery Funds (SLFRF) program totaling \$6,800,000; and

WHEREAS, the SLFRF final rule delivers broader flexibility and greater simplicity in the program, offering a standard allowance for revenue loss of \$10 million, allowing recipients to select between a standard amount of revenue loss or complete a full revenue loss calculation and further allowing such recipients that select the standard allowance to use that amount – in many cases their full reward – for government services, with streamlined reporting requirements; and

WHEREAS, the City plans to authorize the use of \$6,800,000 of ARPA SLFRF funding received in 2021 and will receive in June, 2022 for government services; and

WHEREAS, the Mayor and City Council plan to proceed with public engagement and staff recommendations on how best use the ARPA SLFRF funding and Council will appropriate the funds in a supplemental appropriation process as part of the biennial budget process; and

WHEREAS, the City will track all expenditures, including ARPA SLFRF funded expenses through the City's Finance Department accounting system for the purpose of accurate accounting, transparent reporting, and annual audit verification.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CAMAS AS
