Sarah –

I reviewed this document again, and believe the main ‘takeaway’ is a potential need to have more direct communication with actual affordable housing developers – see Developing Partnerships, Page 20 of the report. I would suggest putting together a list of sites (preferably City-owned or with amenable owner) and providing a brief zoning/development summary and cost estimate related to a pro forma for each of these sites. You could then reach out to affordable housing developers to see if they would be interested in providing feedback on the feasibility of developing, with the hope that they might actually do so ...

Happy to chat more ...
