## Review of Population for Redistricting

Clark County, Washington  
March 2, 2022

**Notes:**

- 1) Redistricting adjusts council ward boundaries so that population is nearly the same in all wards.
- 2) Using the 2020 Census, a population of 8,688 for each of the three council wards was found to be the ideal target (the City of Camas total of 26,065 divided by 3 wards).
- 3) The existing wards were found to require no change.
- 4) All council ward boundaries follow either election precinct or portion boundaries.
