When an employee is excused or dismissed from jury duty, he/she shall promptly report to work.

ARTICLE 11 – OTHER LEAVES

- 11.1 **Military Leave.** In the event of a military leave the Employer abides by the provisions of the State of Washington RCW 38.40.060 which stipulates that employees who are members of the National Guard or Federal Reserve military units are entitled to be absent from their duties up to twenty-one (21) days with pay during each year (October-September) while engaged in the performance of ordered military duty and while going to or from such duty.

During a period of military conflict declared by the President or Congress, an employee who is the spouse or registered domestic partner of a member of the Armed Forces, National Guard or Reserves is entitled to up to fifteen (15) days of unpaid leave while

his/her spouse or domestic partner is on leave from deployment, or before and up to deployment. (Spousal military leave may also be covered under FMLA leave for a qualifying exigency, although an employee need not meet the more stringent FMLA eligibility requirements in order to take this spousal military leave). The purpose of this leave is to support the families of military personnel serving in military conflicts by permitting them to spend time together before a family member is deployed or while the family member is on leave from a deployment. An employee must work an average of twenty (20) hours per week to be eligible for this family military leave. Employees are eligible for this leave per deployment.

An employee who seeks to take family military leave must provide the City with notice of his/her intent to take leave within five (5) business days of receiving official notice that the employee's spouse will be on leave or of an impending call to active duty. The employee may substitute any available accrued leave for any part of this family military leave.

- 11.2 **Unpaid Leave/Leave of Absence.** The Employer may grant an employee a leave of absence without pay for a period not to exceed ninety (90) days. No leave of absence without pay shall be granted except upon written request of the employee. Whenever granted, the leave shall be in writing and signed by the Employer and a copy filed with the Library Director. Upon expiration of a regularly approved leave without pay, the employee shall be reinstated in the position held at the time leave was granted without loss of seniority status, excepting that the time on leave will be deducted from the employee's total service to determine seniority. Failure on the part of the employee on leave without pay to report promptly at the expiration of the leave shall constitute cause for forfeiture of right to reinstatement. The Employer may, in exceptional circumstances, extend leave beyond ninety (90) days.
- 11.3 **Union Business Leave.** Upon written request from the Union, a Union Representative or Steward may be granted time off without pay or any cost to the Employer to conduct bona fide business of the Union. - 11.5 **Worker's Compensation:** Worker's Compensation provides partial wage replacement for injured employees.

For the initial ninety (90) calendar days while off duty on a work related injury/illness, the City will keep the employee on salary and the employee shall turn over to the City any time loss checks received for that period.

After ninety (90) days the employee would be required to use their accrued sick or vacation leave. If an employee elects to use accrued leave while receiving Worker's Compensation benefits the City will pay the employee his/her regular wages using accrued sick or vacation

leave. If an employee elects this option, when the employee receives time loss payments from the Department of Labor & Industries, the employee must turn such payments over to the Finance Department. The Finance Department will use the worker's compensation payment to replenish the employee's sick leave or vacation leave balance that was drawn down at the employee's current hourly wage rate. Comp time is not eligible for buyback and may not be used following a work related injury or illness while an employee is receiving Worker's Compensation pay.

If an employee chooses not to use sick or vacation leave as a supplement, any time loss payments received by the employee from the Department of Labor & Industries may be kept and their time in the payroll system will be documented as leave without pay.

Light Duty – The City will assign light duty to the employee anywhere in the City, if available and based on doctor approved activities at the time it is approved by the doctor (preferably within the employee's own department). Administrative Services would be the point person and would review the doctor's note and restrictions, work with the department and make a formal offer of light duty work to the employee. If the employee turns down the light duty, no time loss checks will be issued by L& I (as is their policy). The employee would need to use leave for their time off until they were released to full duty or if they accepted the light duty assignment at a later date.

- 13.4 An employee may apply for and receive a transfer to a position of another classification with the same position, range, and step. Such transfer may be made upon request of the employee at the discretion of the Employer. Any employee so transferred shall receive the same salary as in his/her former position; however, all requests must be in writing and agreed to by the Employer.
- 13.5 **Demotion:** Demotion may be used by the Employer if the Employer determines the employee is not performing all the job requirements properly or completely. The Employer will not use demotion in disciplinary actions.
- 13.6 **Lateral Transfers:** This is defined as an employee who voluntarily takes another position of the same pay range. In the event that the employee does not successfully pass the probationary period, such employee shall be reinstated without any loss of seniority or pay, provided the pay rate shall not exceed the normal rate of the subject employee for the position being reinstated into.

- 13.7 **Career Development:** The Employer and the Union agree to address career developments during JLMC meetings and work towards building a career development process for employees to advance in positions at the Camas Library for the term of this Agreement.

Additionally, employees may be laid off through displacement by an employee through the bumping procedure outlined in this Agreement. Employees who bump downward or accept vacant positions in a lower class shall be considered laid off from their former classification for the purpose of recall rights under this Article. Forced reduction of hours shall also be considered a layoff.
- 14.2 Two (2) weeks’ notice of such layoffs shall be given as soon as possible before the scheduled layoff.
- 14.2.1 Termination of non-critical employees and consultants within the Camas Public Library.
- 14.2.2 Temporary reduced work hours programs including reduced work weeks and furloughs/ shutdowns.
- 14.2.3 Attrition-based programs such as early retirements and voluntary layoffs.
- 14.2.4 Reduction of paid leave balances or accrual rates.
- 14.3 Application of the principle of seniority shall apply in the case of layoff and reinstatement provided that the remaining employees shall have the skill and ability to do the work as determined in a fair and equitable manner.
- (a) In layoff, the last employee employed shall be the first laid off provided the senior employee is capable of performing the work with skill and ability as determined by the Library Director.
- (b) The last employee laid off shall be given the first opportunity to be reinstated provided however, that such employee has the qualifications and abilities for the position for which he/she is to be reinstated. Any notice of re-employment to an employee who has been laid off shall be made by phone or certified mail. The employee shall keep the Employer advised of his/her current address. Failure of such employee to report for reinstatement shall result in loss of seniority.
- 14.4 **Selection and Notice.** Employees who will be separated from City service shall be provided a minimum of two (2) weeks’ notice of such layoffs shall be given as soon as possible before the scheduled layoff or pay in lieu of notice. The Union shall be notified concurrent with notice to employees.

14.4.1 A minimum of ten (10) working days' notice shall be provided to employees who are reassigned to lower classifications. One (1) week minimum notice is required for employees who are reassigned laterally as a result of layoff. No pay in lieu of notice is authorized but reassignments and demotions shall be delayed until the required notice period has been met. The City may use contingent layoff notices to employees whose positions are not being eliminated, but who it determines are subject to being bumped by more senior employees.

14.5 **Recall.** Any employee laid off shall be placed on the recall list; in order of seniority for the classification from which they were laid off; for a period of twelve (12) months.

14.5.1 **Recall Procedure.** Notice of recall shall be sent to the employee by certified mail at the last address reflected in the employee's official personnel file and the employee must respond within fifteen (15) calendar days of the date of the notice. The City may send out multiple recall notices and recall the most senior employee who responds within the allotted time period. An employee shall be allowed to waive one offer but shall otherwise be removed from the recall list for a classification based upon rejection or failure to respond. The employee shall be responsible for notifying the Administrative Services Department of any change in address or telephone number.

14.5.2 **Rights Upon Recall.** Employees who are recalled shall be reinstated with all rights formerly attained including accrued sick leave based upon the following:

- Employees recalled within six (6) months from layoff shall have fifty percent (50%) of accrued sick leave which shall be reinstated.
- Employees recalled with ten (10) years of service or more shall have one hundred percent (100%) of accrued sick leave reinstated.

The seniority date shall be adjusted to reflect the time on layoff but the employee shall otherwise retain all service credit held at the time of layoff. Employees recalled to their former classification shall be appointed to the step and range formerly held and credit toward the next salary anniversary date shall be continued, not including the time on layoff.

14.5.3 Laid-off employees will be offered employment in any available vacancy in a classification for which they have recall rights provided they are fully qualified for the position. In the event there are multiple employees eligible for recall within a classification and multiple positions available, Administrative Services shall coordinate a placement process whereby eligible employees are placed in the most suitable positions based on interest, qualifications and department's needs, provided however that this procedure may not be used to recall a more junior employee in place of a more senior one. The intent of this language is to facilitate voluntary placements within the list of available vacancies and employees who are being recalled. As an alternative to recall available positions may be filled by promotion, transfer or demotion of current employees with mutual agreement of the department, Administrative Services and the applicable Union.

14.5.4 Laid-off employees are eligible for consideration for other positions in the City through the competitive recruitment and selection procedures and shall be allowed to compete as internal candidates for the duration of their recall rights period. Laid-off employees are responsible for making themselves aware of available positions other than those for which they are entitled to recall consideration.

No step may be utilized unless there are no available positions in the preceding steps except that the steps may be rearranged as necessary to provide a minimum pay reduction. In all cases the employee must be qualified to perform the duties of the position following a reasonable period of orientation and training. In the event there is more than one qualified candidate for a position, such position shall be offered on the basis of seniority. In bumping situation, the employee may bump only into the position occupied by the least senior employee, not any less senior employee. The order of consideration shall be:

- a. Vacant positions in the classification from which the employee is being laid off.
- b. Vacant positions in former classifications in the bargaining unit.

EXHIBIT “B” – RCW 49.46.210

Paid sick leave—Authorized purposes—Limitations—“Family member” defined.

(1) Beginning January 1, 2018, every employer shall provide each of its employees paid sick leave as follows:

(a) An employee shall accrue at least one hour of paid sick leave for every forty hours worked as an employee. An employer may provide paid sick leave in advance of accrual provided that such front-loading meets or exceeds the requirements of this section for accrual, use, and carryover of paid sick leave.

(b) An employee is authorized to use paid sick leave for the following reasons:

(i) An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee's need for preventive medical care;

(ii) To allow the employee to provide care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care; and

(iii) When the employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's school or place of care has been closed for such a reason.

(c) An employee is authorized to use paid sick leave for absences that qualify for leave under the domestic violence leave act, chapter [49.76](#) RCW.

(d) An employee is entitled to use accrued paid sick leave beginning on the ninetieth calendar day after the commencement of his or her employment.

(e) Employers are not prevented from providing more generous paid sick leave policies or permitting use of paid sick leave for additional purposes.

(f) An employer may require employees to give reasonable notice of an absence from work, so long as such notice does not interfere with an employee's lawful use of paid sick leave.

(g) For absences exceeding three days, an employer may require verification that an employee's use of paid sick leave is for an authorized purpose. If an employer requires verification, verification must be provided to the employer within a reasonable time period during or after the leave. An employer's requirements for verification may not result in an unreasonable

burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.

(h) An employer may not require, as a condition of an employee taking paid sick leave, that the employee search for or find a replacement worker to cover the hours during which the employee is on paid sick leave.

(i) For each hour of paid sick leave used, an employee shall be paid the greater of the minimum hourly wage rate established in this chapter or his or her normal hourly compensation. The employer is responsible for providing regular notification to employees about the amount of paid sick leave available to the employee.

(j) Unused paid sick leave carries over to the following year, except that an employer is not required to allow an employee to carry over paid sick leave in excess of forty hours.

(k) This section does not require an employer to provide financial or other reimbursement for resignation, retirement, or other separation from employment. When there is a separation from employment and the employee is rehired within twelve months of separation by the same employer, whether at the same or a different business location of the employer, previously accrued unused paid sick leave shall be reinstated and the previous period of employment shall be counted for purposes of determining the employee's eligibility to use paid sick leave under subsection (1)(d) of this section.

(2) For purposes of this section, "family member" means any of the following:

(a) A child, including a biological, adopted, or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency status;

(b) A biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child;

(c) A spouse;

(d) A registered domestic partner;

(e) A grandparent;

(f) A grandchild; or

(g) A sibling.

(3) An employer may not adopt or enforce any policy that counts the use of paid sick leave time as an absence that may lead to or result in discipline against the employee.

(4) An employer may not discriminate or retaliate against an employee for his or her exercise of any rights under this chapter including the use of paid sick leave.
