

# City of Camas 2025 – 2030 Six Year Street Priorities

**Notes**

- This 6-Year TIP has been developed to meet the requirements of RCW 35.77.010, to assure a coordinated transportation program for the State of Washington.
- Projects identified are NOT fully funded; however, the City can apply for different types of State/Federal Funding for those projects on the TIP.
- The City Council's intent is to use this as a prioritized framework to guide transportation decisions in coordination with the more detailed and technical Transportation System Plan.
