I am a Camas resident, residing in Prune Hill. I'm Sending this email to emphasize my support for covering the High School Tennis courts. All 3 of my kids play tennis (two oldest in high school and 1 in middle school). The community lacks covered tennis courts and with the growing interest in the sport this opportunity would help kids of all ages stay active even in the cold wet months of the year.

My daughter who plays for the Camas HS team has had multiple games and practices rescheduled because of the weather. Had the court been covered this would not have happened.

Thank you for your support.
