City leaders

I would like to voice my support for the bubble, as a parent of a CHS tennis athlete and a citizen of Camas city.

My daughter is a 9th grader and 1st year on the tennis team. We are just entering the spring season and several of their practices and matches have been cancelled for rain. Our athletes deserve an indoor tennis facility so they can focus on the games and skill improvement.

Now as a citizen, I also play tennis. The CHS outdoor courts are currently only usable for the summer season when there is no rain. That is such a waste of the facility.

Evergreen apparently has a huge conflict of interest in this project, since they are offering the indoor court at a significant premium.

I'm more willing to pay a reasonable use fee for the CHS bubble to enjoy the facility during rainy season and support our school athletes at the same time.

Please approve this project and move forward quickly.
