Hello,

I am a Camas resident and have 2 children in the Camas school district. My family plays tennis as well as pickleball. My kids mostly play at Vancouver tennis center(covered) as well as sometimes at Evergreen tennis(covered). It would be great if there was a public available option that is covered for rainy days.

Please strongly consider leveling and covering the high school tennis courts. Not only would this help the high school tennis teams, but the greater Camas community as well. There is a complete lack of useable courts on rainy days unless you are able to pay a private enterprise a fee.

Additionally, there is strong demand for tennis among the youth here as well as success in the High School program. Money allotted for this improvement would not go to waste.

Thank you for your consideration,
Monz Hahn
