Hi

My son is current student at CHS and play bennis with the tennis team since 9th gade. I feel this change to the courts will be a huge improvement to the current courts that is greatly needed. The addition of the dome will allow the students to play under our long rain season. when not used by the students, these courts will allow the community to have a place to play both pickleball and tennis.

I hope this project can be approved.

Thanks
Cindy Chia
