CITY OF CAMAS RESOLUTION NO. _____
CITY OF WASHOUGAL RESOLUTION NO. _____

A **JOINT RESOLUTION** of the City Council of the City of Camas, Washington, and the City Council of the City of Washougal, Washington, providing for the submission to qualified electors of the City of Camas and the City of Washougal, at the general election to be held on November 4, 2025, of a proposition that, pursuant to Chapter 52.26 of the Revised Code of Washington, approves a plan to form a Regional Fire Protection Authority to be known as the Camas-Washougal Fire Authority within the boundaries of the City of Camas and the City of Washougal, effective September 1, 2026.

RECITALS

- A. The ability and demands to respond to emergency situations by fire protection and emergency medical service agencies has increased and progressed with community needs and special service demands. Providing an effective fire protection and emergency medical service system requires a collaborative partnership and responsibility among local and regional governments and the private sector.
- B. There are efficiencies that can be gained by regional fire protection and emergency medical service delivery, while maintaining local control.
- C. The City of Camas ("Camas") and the City of Washougal, ("Washougal") have had a long-standing cooperative partnership, striving to provide the highest level of fire and emergency medical services to their citizens within the confines of available resources. This cooperative partnership began in the 1970s with the provision of a regional ambulance service and culminated with an interlocal agreement in 2014, which provided for a consolidation of services as the Camas Washougal Fire Department, with Camas providing services to Washougal. While this cooperative relationship has served the public well for many years, as a result

of the needs of a growing community and demands for enhanced fire and EMS services, Camas and Washougal have determined that it is in the public interest to place a measure before the voters that if approved would result in the formation of a Regional Fire Authority (RFA).

- D. Pursuant to RCW 52.26.030 and 52.26.040 the cities of Camas and Washougal formed an RFA Planning Committee to evaluate the feasibility of creating a new and separate regional fire authority to provide the fire protection and emergency services within the boundaries of Camas and Washougal. The members of the Planning Committee included three City Council members from Camas and three City Council members from Washougal. Over a period of several months, the Planning Committee met and created a Regional Fire Authority (RFA) Plan ("Plan") providing for the governance, design, financing, and development of fire protection and emergency services.
- E. The Planning Committee held its final meeting on October 16, 2024, and recommended approval of the Plan to the Camas City Council and Washougal City Council. The Camas City Council and Washougal City Council met in joint work session on November 6, 2024, to review the recommended Plan. By adoption of this Joint Resolution, the Plan is formally adopted and certified to the ballot pursuant to RCW 52.26.060 by both the City of Camas and the City of Washougal. Copies of the Plan are available from the administrative offices of the City of Camas and the City of Washougal.
- F. Authority to form a RFA is authorized by Chapter 52.26 RCW. Chapter 52.26 RCW requires that in order to form an RFA, the Plan must be approved by the voters of the area affected by the Plan. Therefore, in accordance with the Plan and state law, the Camas City Council and the Washougal City Council placed before voters within the proposed service boundaries of the RFA at a special election held on April 22, 2025, a proposition calling for the creation of a RFA which shall be known as the Camas-

Washougal Fire Authority to be funded by a \$1.05 per \$1,000 assessed value property tax levy and the approval of the Plan, all in accordance with state law.

- G. The result of the April 22, 2025, special election indicates that the RFA Plan was not approved by participating voters.
- H. On January 29, 2024, Camas and Washougal executed a *MODIFICATION AND CONDITIONAL EXTENSION OF INTERLOCAL AGREEMENT BETWEEN THE CITIES OF CAMAS AND WASHOUGAL FOR THE FORMATION AND OPERATION OF THE CAMAS-WASHOUGAL FIRE DEPARTMENT DATED DECEMBER 4, 2013*.
- I. Item #1 of the Modification and Conditional Extension provides that “...the parties bind themselves to place the RFA Plan on the ballot for April 2025 and, if necessary, for November 2025.”
- J. Therefore, in accordance with the Modification and Conditional Extension, Plan and state law, the Camas City Council and the Washougal City Council have determined that it is appropriate to place before voters within the proposed service boundaries of the RFA at the general election to be held on November 4, 2025, a proposition calling for the creation of a RFA which shall be known as the Camas-Washougal Fire Authority to be funded by a \$1.05 per \$1,000 assessed value property tax levy and the approval of the Plan, all in accordance with state law.
