Subject:	Parking Permit Inquiry

Alison,

Thank you for you inquiry. The City does not currently have a parking pass or permit system in place. The Camas Council relies on the downtown Parking Advisory Committee (PAC) to recommend any parking revisions in the downtown area. This item will be a workshop topic at the May PAC meeting scheduled for 5 p.m. on Tuesday, May 10. About a week prior to this date, there will be meeting information posted on the Camas website: Welcome to the City of Camas' Legislative Meetings Portal | Camas, WA

Please feel free to contact Chris Lopez or me if you have any comments or questions.

Hello There,

I've been a downtown Camas resident for the past 7 years and have endured many parking tickets. I work up at Wafertech, the worst hours ever, 6pm to 6am, therefore during the day I am sleeping. And after working 12 hours I do not want to walk several blocks. Though I do often. I just want to be able to park close and go home. I guess I'm telling you all this because I wanted to know if getting a street parking permit could be possible? I know other places have them like Vancouver and Portland. And just pay 1 fee for the permit and not get constant tickets. I thought it couldn't hurt to ask? If I am not asking the right people I'd be nice if you could point me in the right direction. Thank you so much for taking the time to read this.
