Please accept my comment that I support the proposed new gas station on the SWC of 13th Street and Frieberg Strunk. I live at 2 Creeks Condominiums on 75th Ave in Camas approximately 1 mile to the northeast of the subject site. Currently the Costco gas station on 192nd is the ONLY gas station within 4 miles of my house, and all the other many new houses on the Goodwin Rd corridor heading north. Those concerned with pollution coming from this location haven't considered the cost and pollution that comes from hundreds of cars each week that currently have to drive the many extra mileage to get gas. I support a new gas station at this location.
