Re: Case # SEPA23-12
WAC 197-11 340

I would like to add my opposition to the development of a gas station/store on 13th Street. I don't have new reasons but I'm agreeing with many of the reasons already put forward:

The project is too near wetlands with the possibility of pollution to the air and water. We need to protect the beautiful open spaces that are still left in Camas. The additional traffic and already busy intersection are a safety issue for car and student travelers.

Thank you for your consideration,
