Community Feedback Examples

- “I like the roundabout solution as it will accommodate the growth that is already in action in our town and the traffic is only going to increase.” – Online Survey 1 comment
- “The intersection is in a very important nature area in town. Please be thoughtful about the trees, wildlife, wetlands, and lakes when considering the options for construction.”
– Online Survey 1 comment
- “Thanks for including us in this process instead of telling us what the ‘new’ will be.”
– Open House 1 comment
- “Way to get it done! Should bring a huge relief to the traffic in the area and be a much safer intersection.” – Facebook comment
- “Such a cool project! Thx for the updates!” – Facebook comment
- “Couldn’t make the meeting. Glad to have a way to add input.”
