RE: Letter of intent to annex property to City of Camas (Parcel #178102000 and Parcel #986030316)

Dear Mr. Maul:

The purpose of this letter is to express our intent to annex two properties, located at SE 15th ST, Camas, WA, owned by 1) Bradley and Paula Buhman (Parcel #178102000) and 2) Adam and Heidi McNeley (Parcel #986030316), to the City of Camas. Before we get into details, however, we want to share our why.

Whether you lived here all of your life or you transplanted, it doesn't take long to realize Camas is a place that will steal your heart. From its scenic views and recreation, its schools, businesses and people, its country life and small-town charm, and only minutes to major city offerings -- on paper, Camas has it all. But if you dive into the lives of its citizens, Camas is so much more. And that's where our story begins. It's not only our home, Camas is our history ... it's our family.

Over one hundred years ago, my great grandparents built their homestead in Camas where they raised their three children (and a lot of animals!). Eventually, the farm was passed down to my grandfather, then, decades later, to my father, and now partly to my family. Looking back at all of the Sunday dinners and holidays, the number of kids who learned to ride bikes and drive cars, the milestone celebrations and new babies, all surrounded by the same landscape, is the best gift any of us have ever received. My great grandparents would never know that the land and farmhouse they built would continue to be a true blessing for five generations – and counting.

After the passing of my grandfather in 2009, the estate was settled into separate parcels: one to my parents with the farmhouse and outbuildings, and the other to my aunt, which was, and remains, raw land. When my husband and I learned that my aunt was looking to sell her parcel, we jumped at the opportunity to purchase. As a young family, there was nothing that we valued more than to be part of a small, thriving community where we could raise our children with the same wholesome traditions that I experienced. Ultimately, it broke our hearts to imagine the land leaving the family and the possibility of development would be devastating. Despite suburban sprawl encroaching on our three borders, we have defied the odds and our farm remains the heart of this family.

Our two, 8-acre County properties not only reside within the Urban Growth Area (UGA) Boundary, but they each maintain an Urban Holding, therefore requiring 10 acres to build a single residence in the Clark County jurisdiction. Since October 2018, and more than 60 communications and meetings with multiple members of both Clark County and City of Camas community development teams, we have determined that annexation is our *only* option to build our forever home. Per your recommendation, and to streamline the use of City resources and population appropriation, we ask you to consider a joint application for an annexation to the City of Camas of our property (Parcel #986030316) and my parent's property (Parcel #178102000).

On behalf of our family, we want to express our sincere appreciation for the time and energy you and your team have afforded us in discussing this opportunity and the expert recommendations that have been provided thus far.

We look forward to the process.

Best Regards,

Heidi L Buhman-McNeley and Adam C McNeley

Bradley B Buhman and Paula J Buhman
